

Energy Levels of H

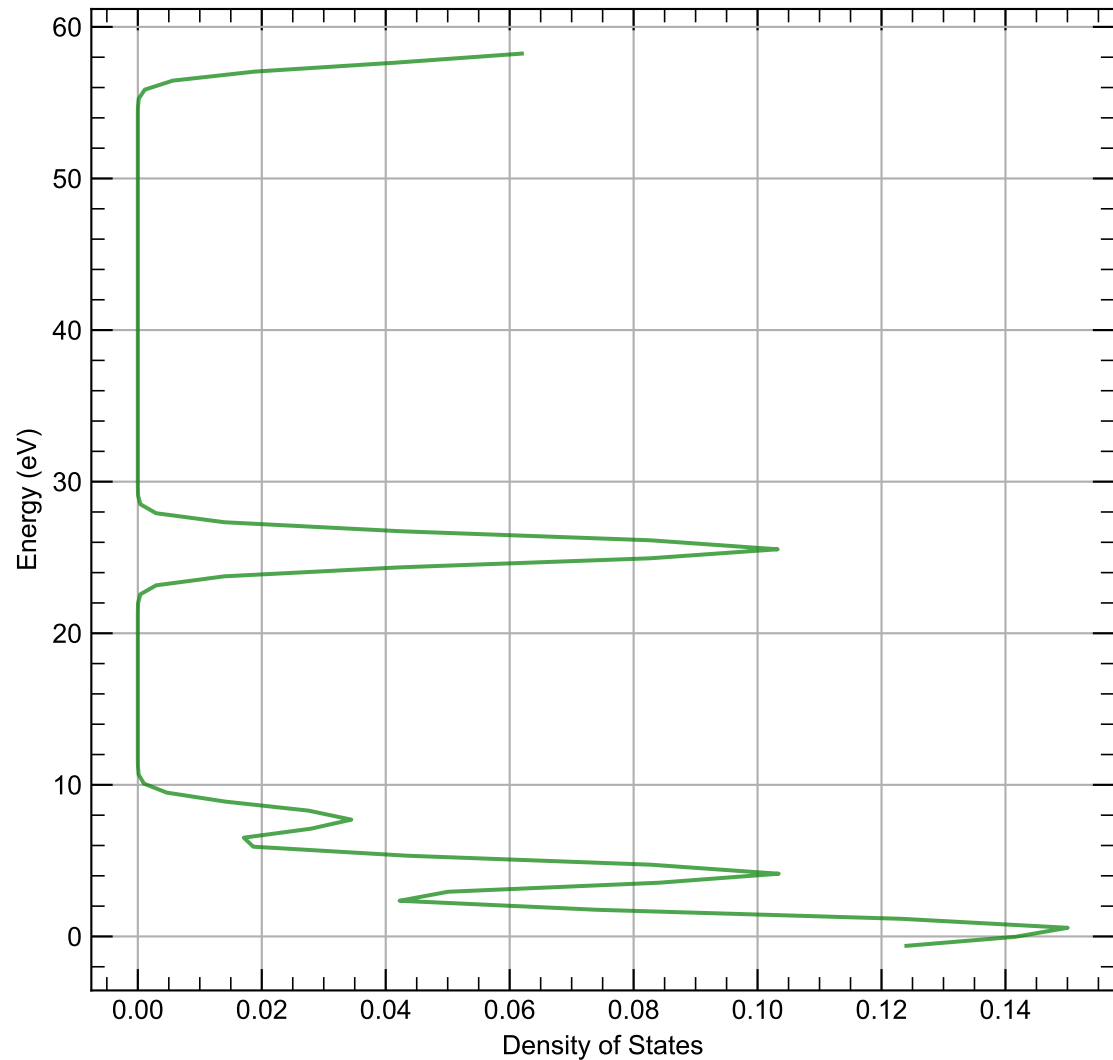

Density of States of H with Gaussian Smoothing

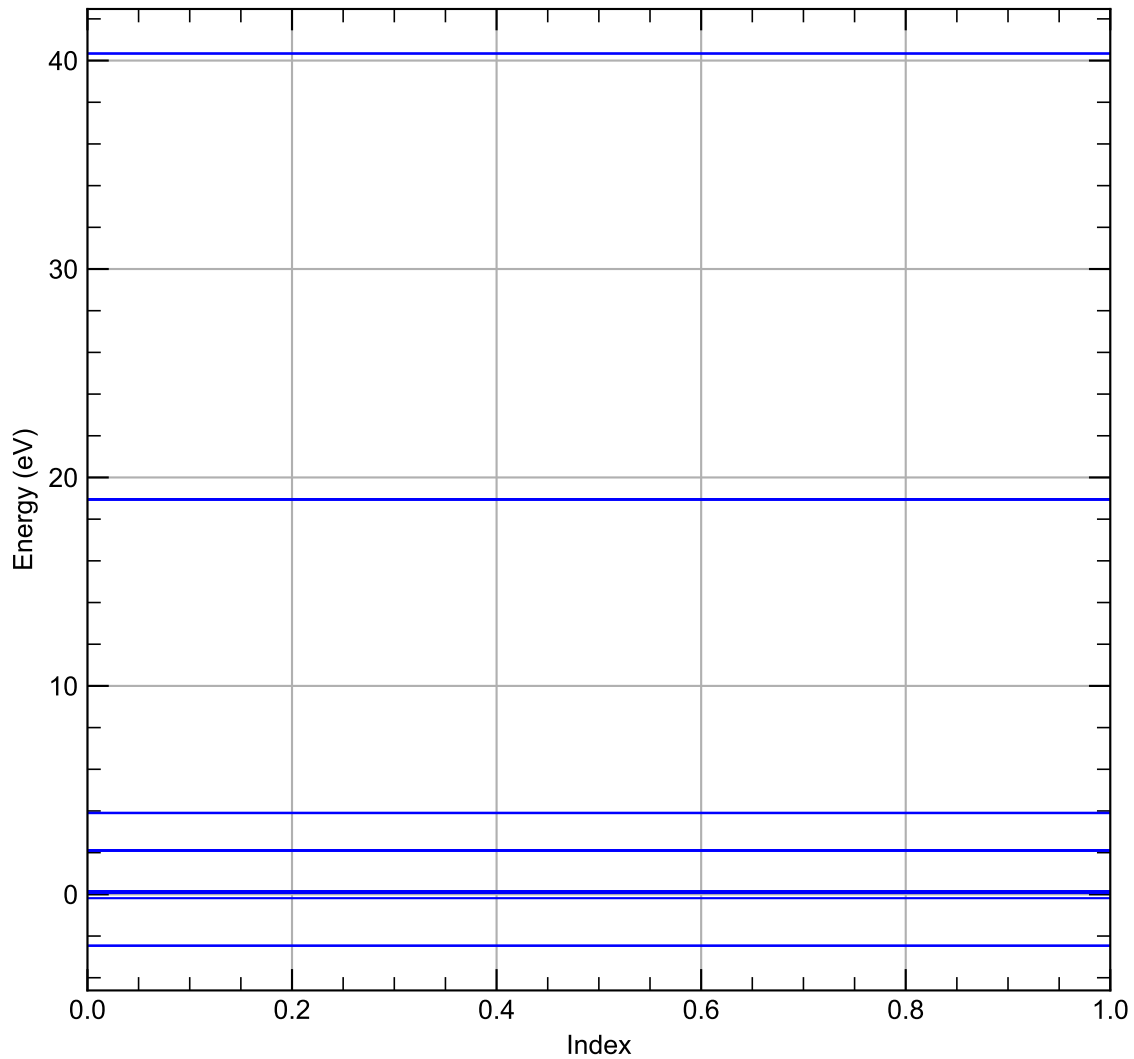

Energy Levels of He

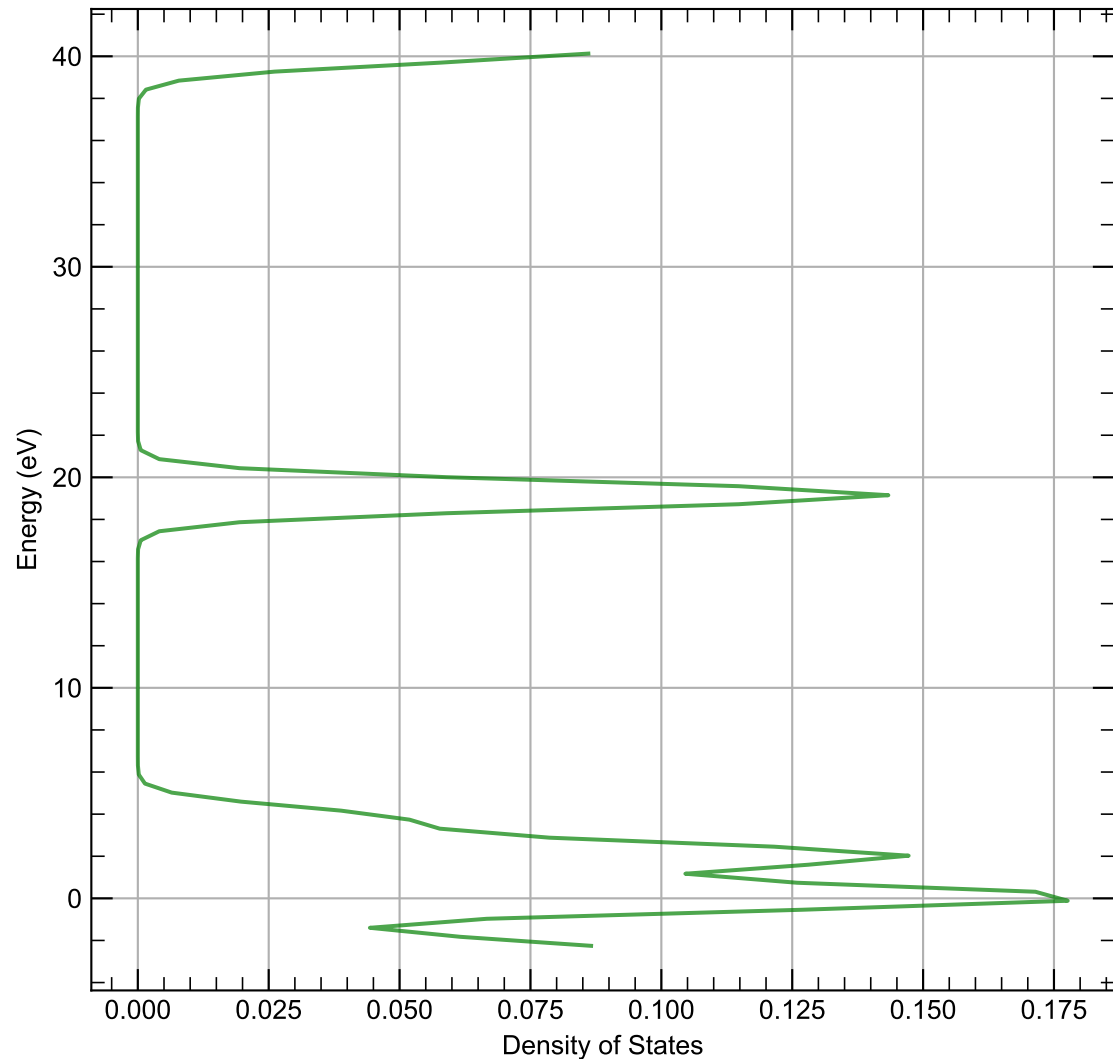

Density of States of He with Gaussian Smoothing

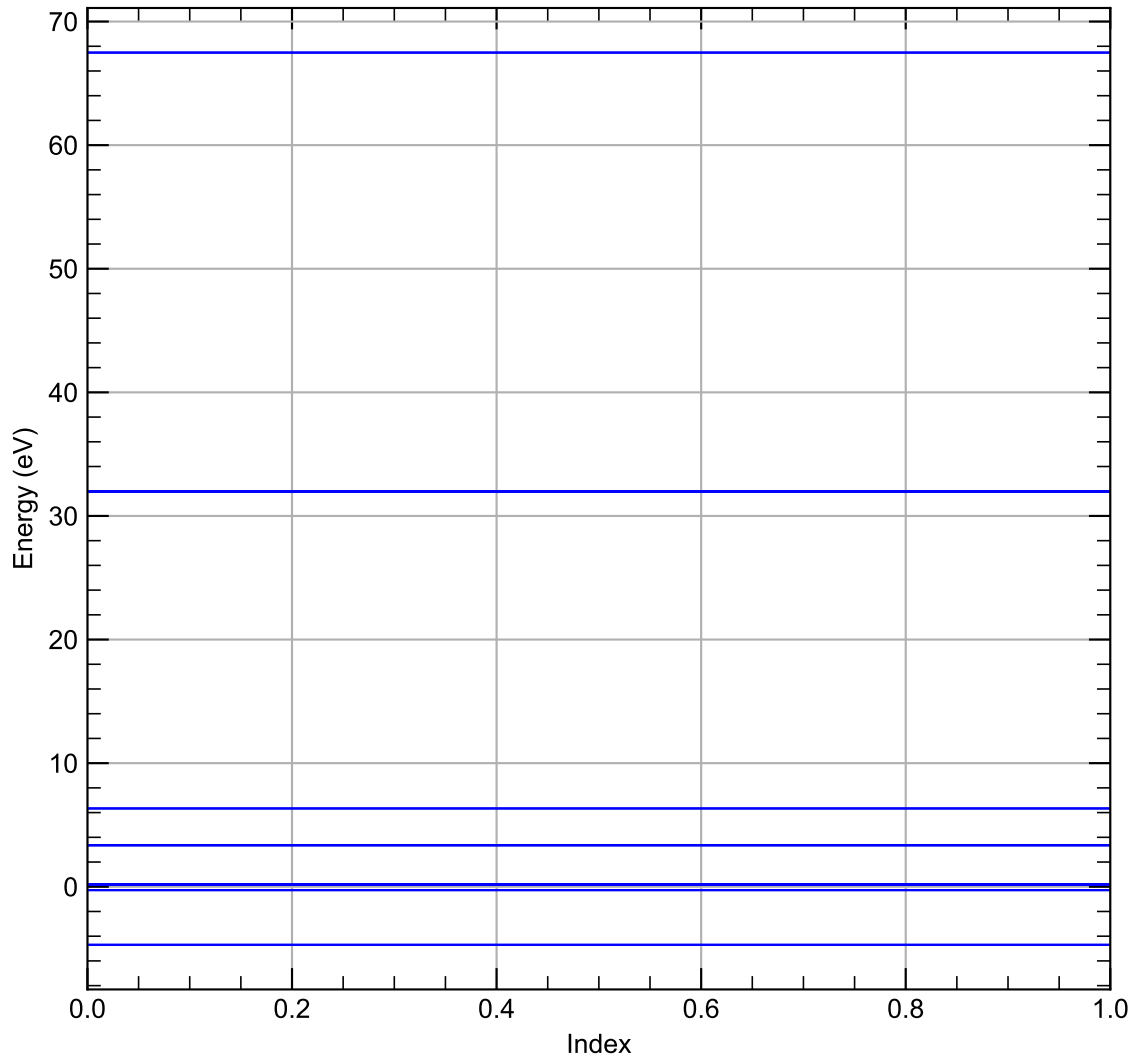

Energy Levels of Li

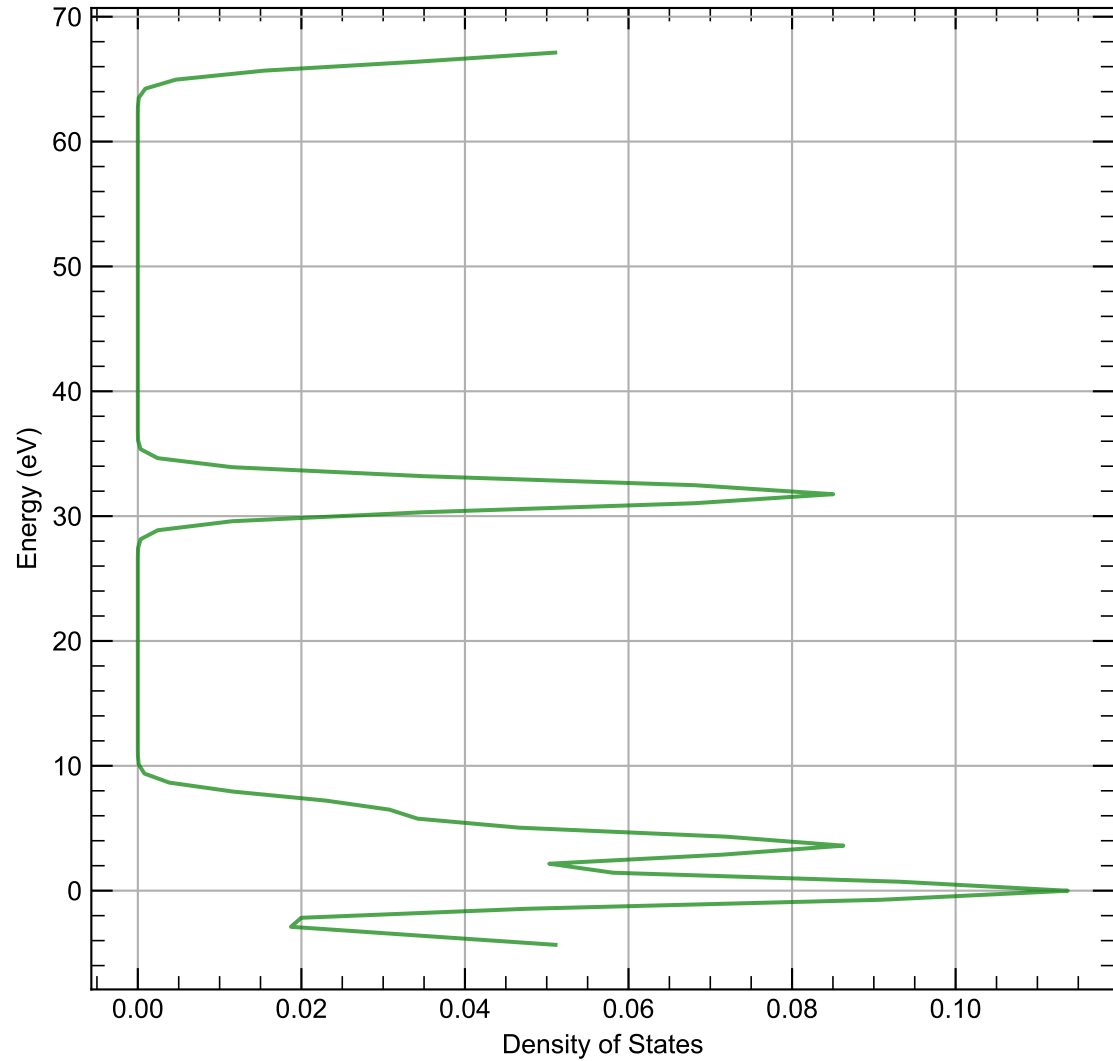

Density of States of Li with Gaussian Smoothing

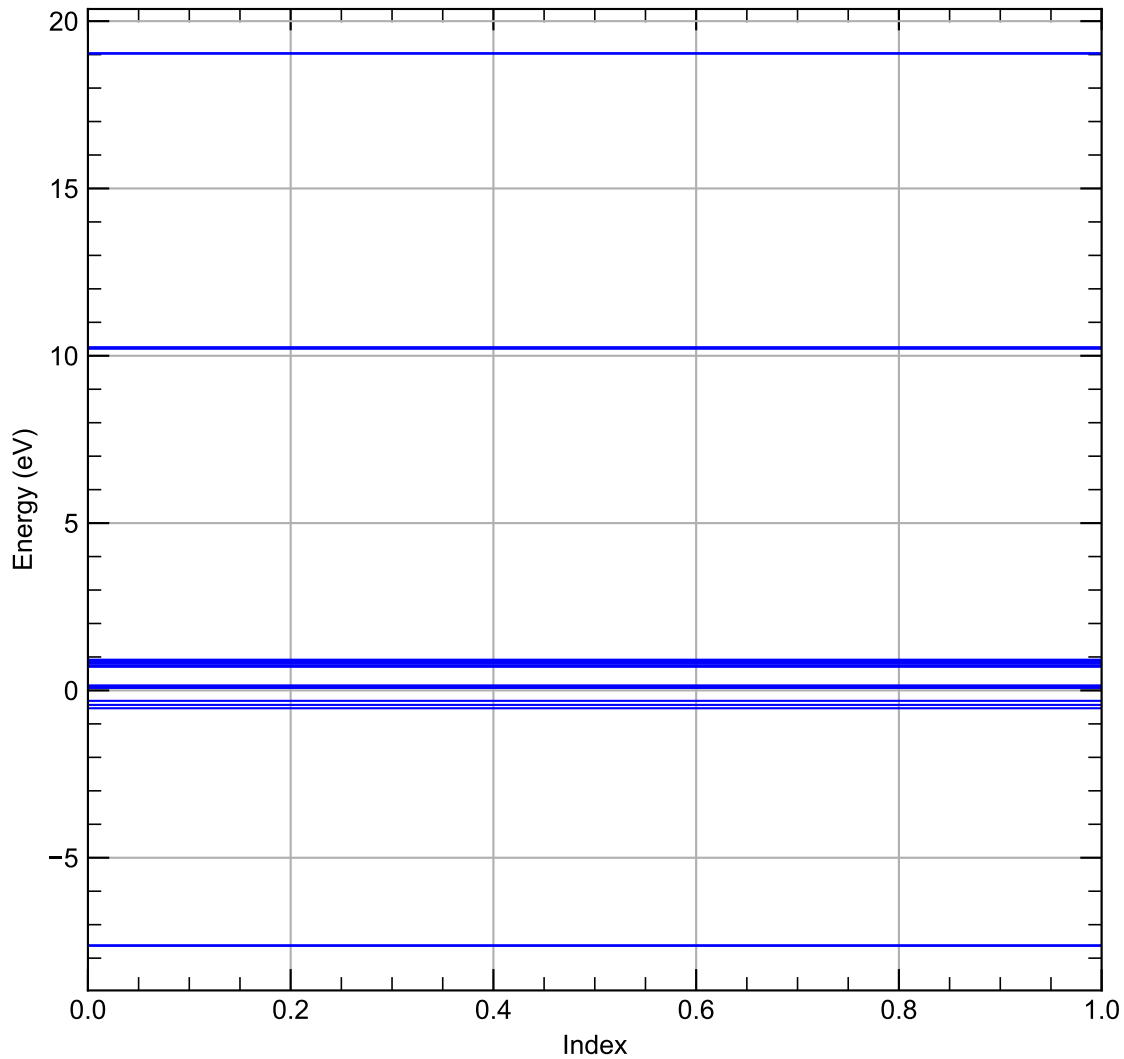

Energy Levels of Be

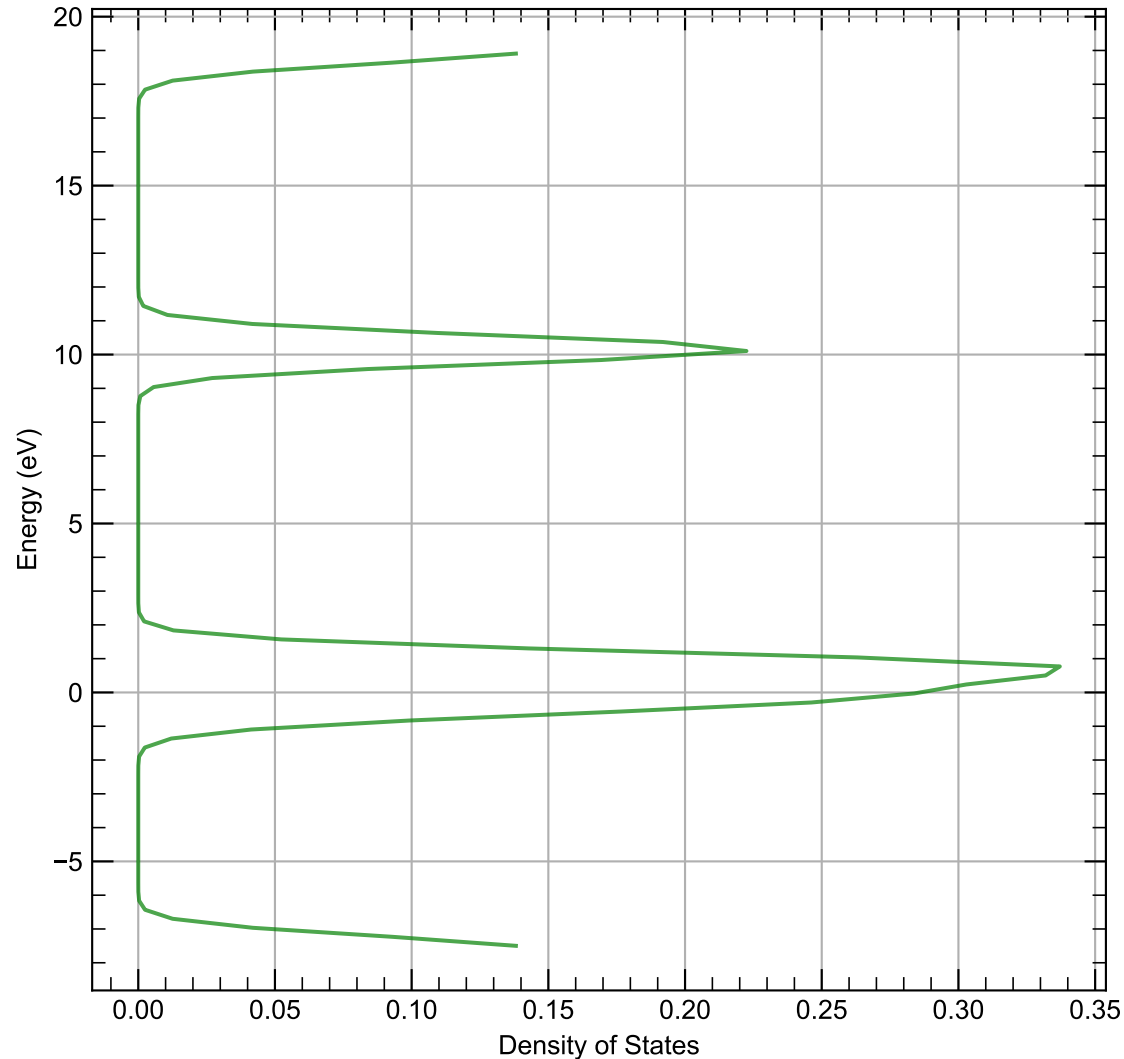

Density of States of Be with Gaussian Smoothing

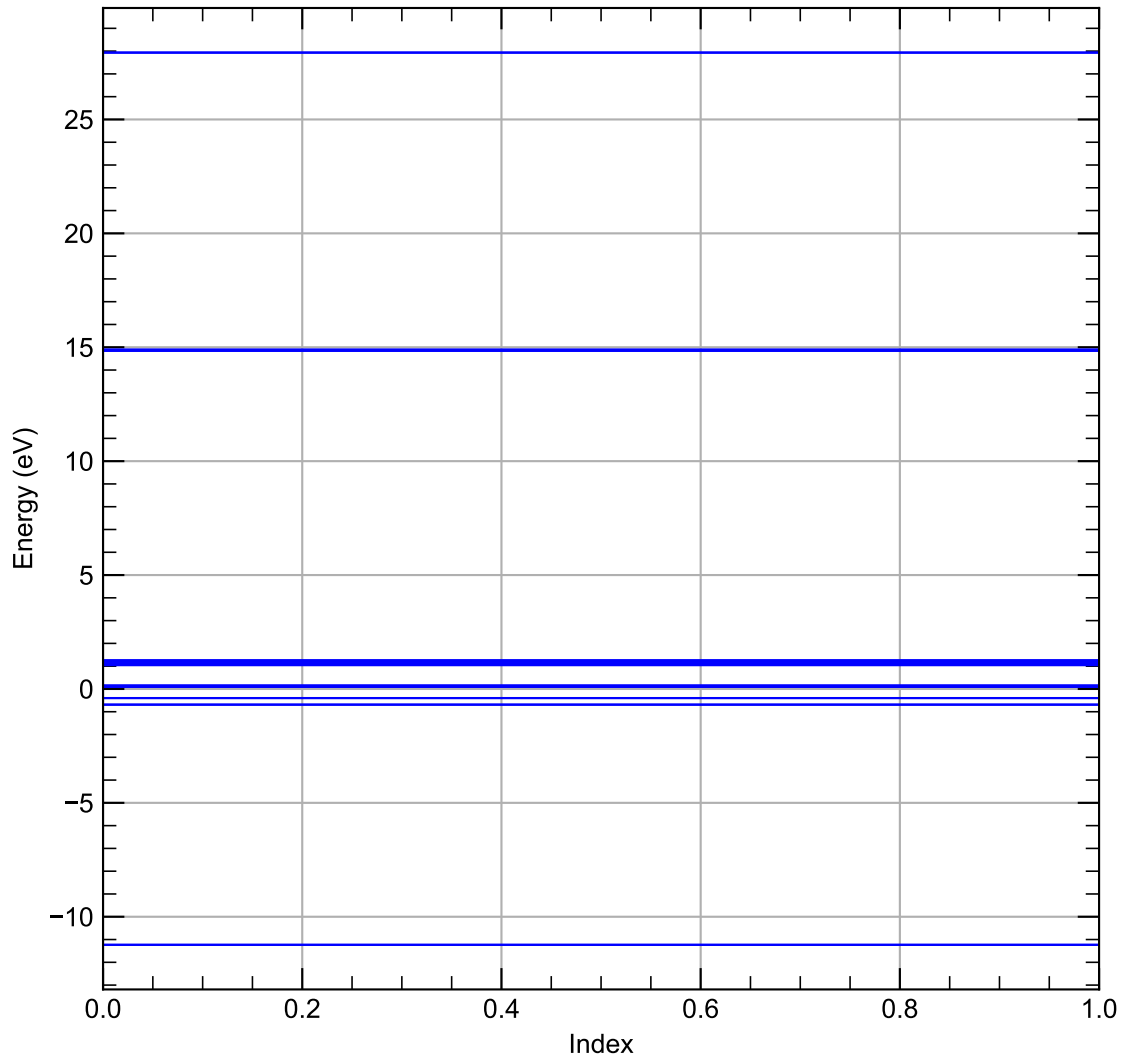

Energy Levels of B

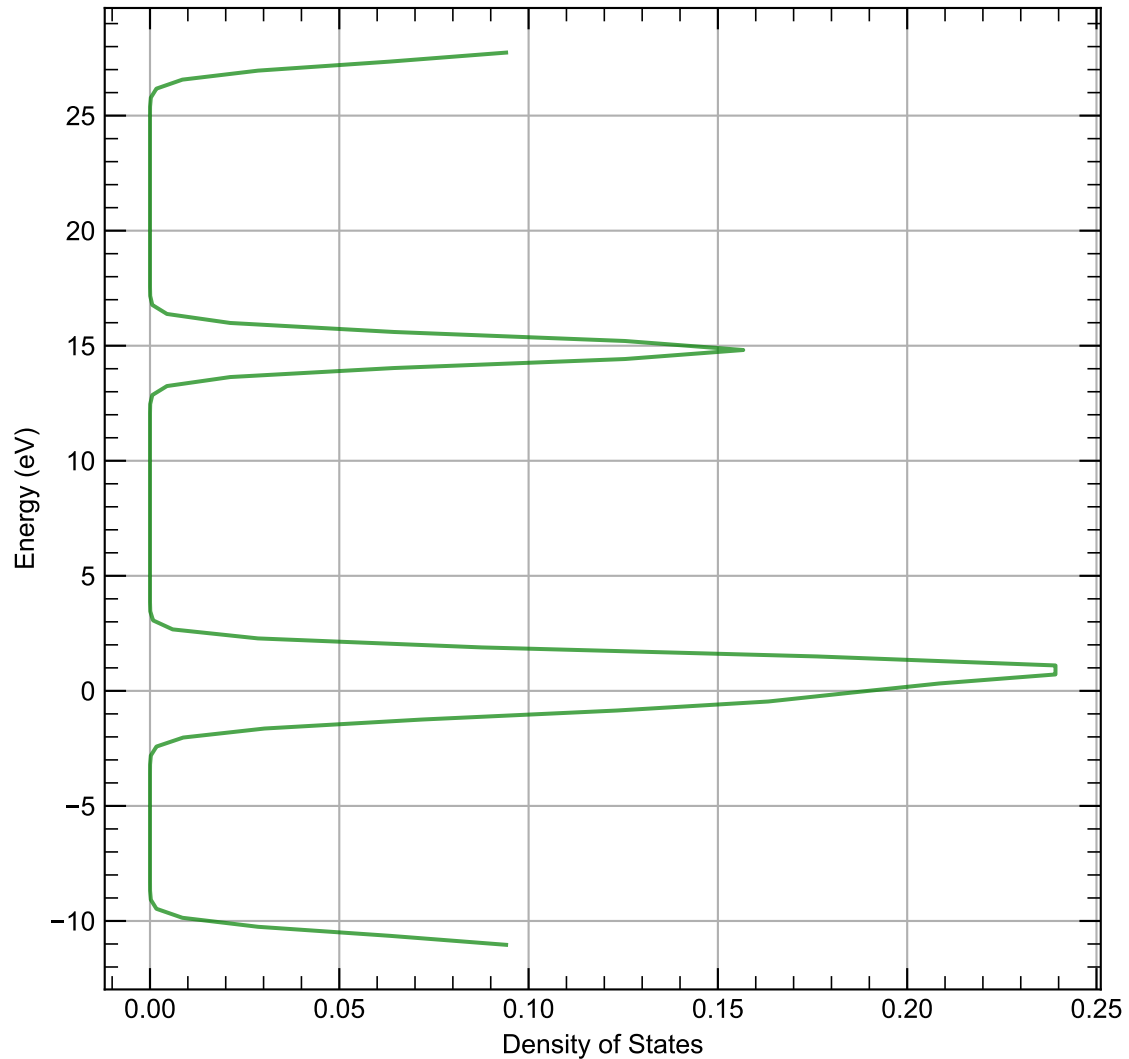

Density of States of B with Gaussian Smoothing

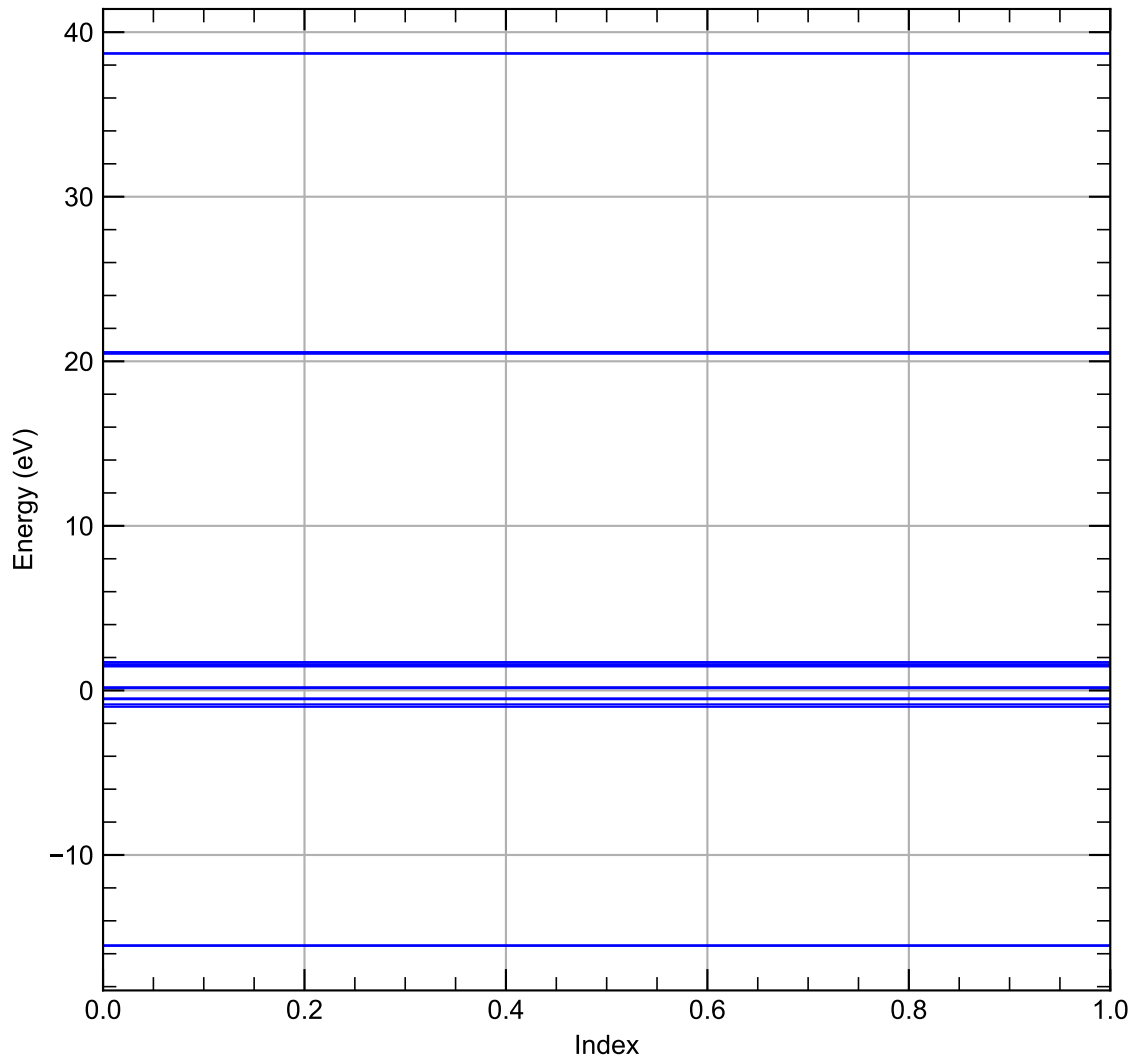

Energy Levels of C

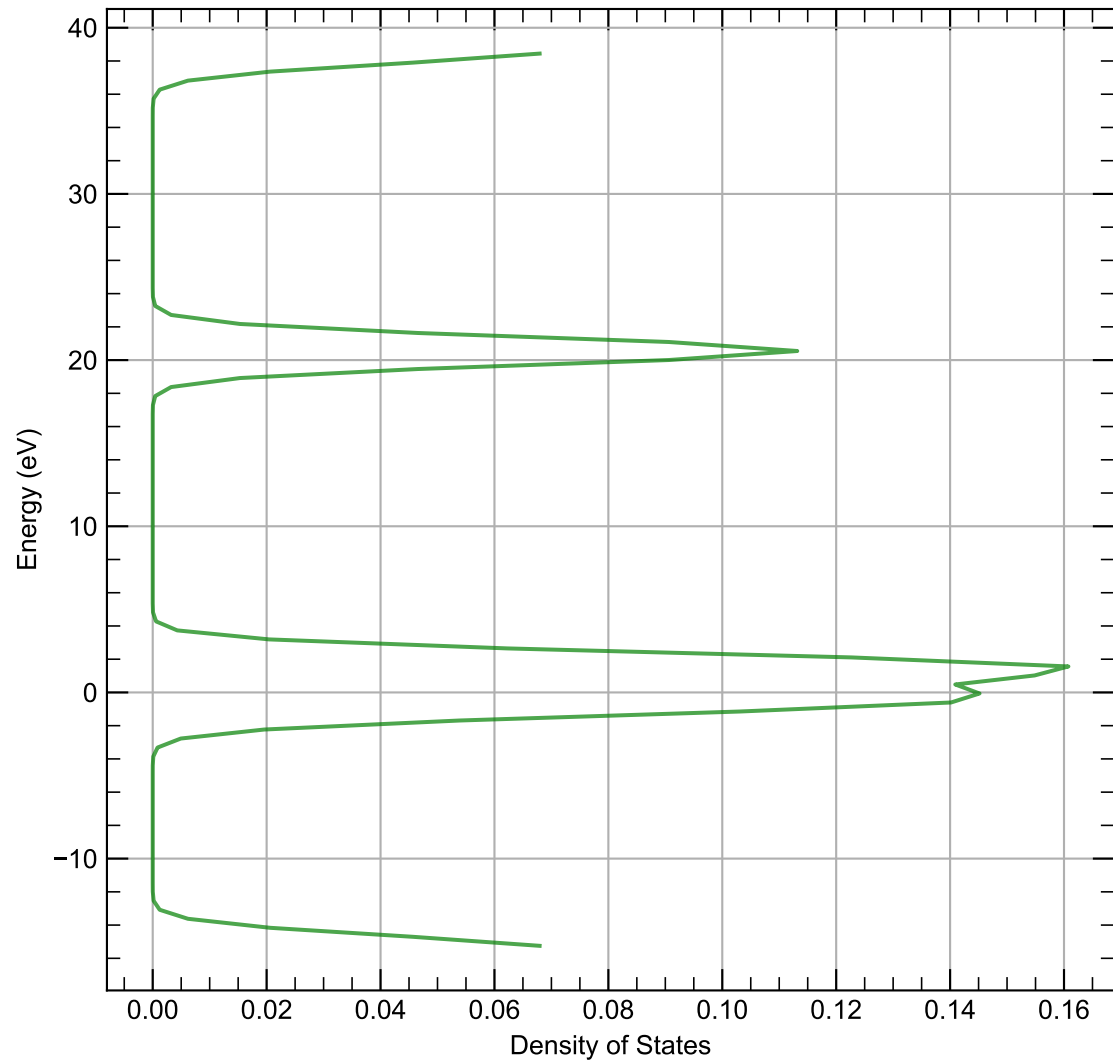

Density of States of C with Gaussian Smoothing

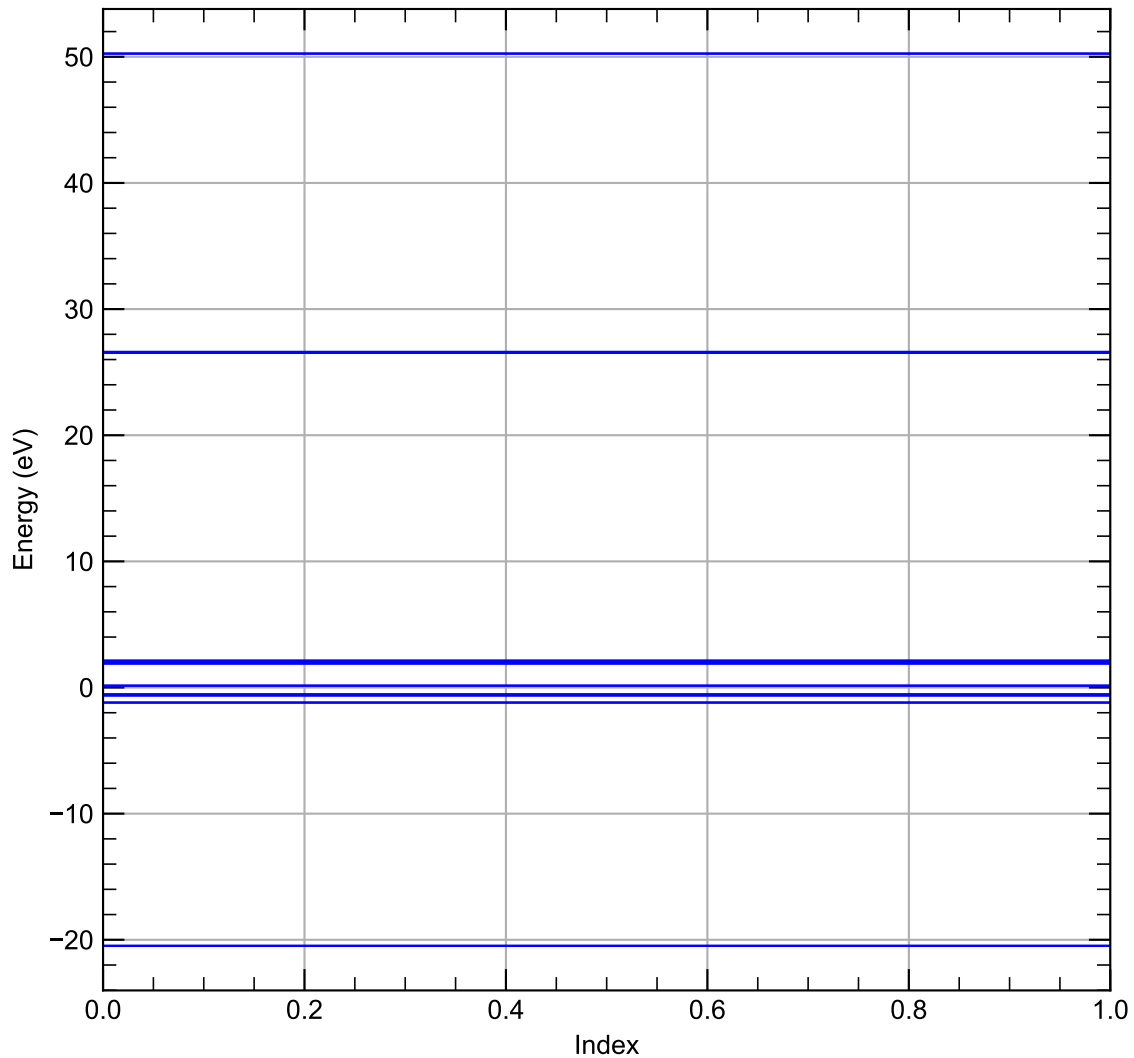

Energy Levels of N

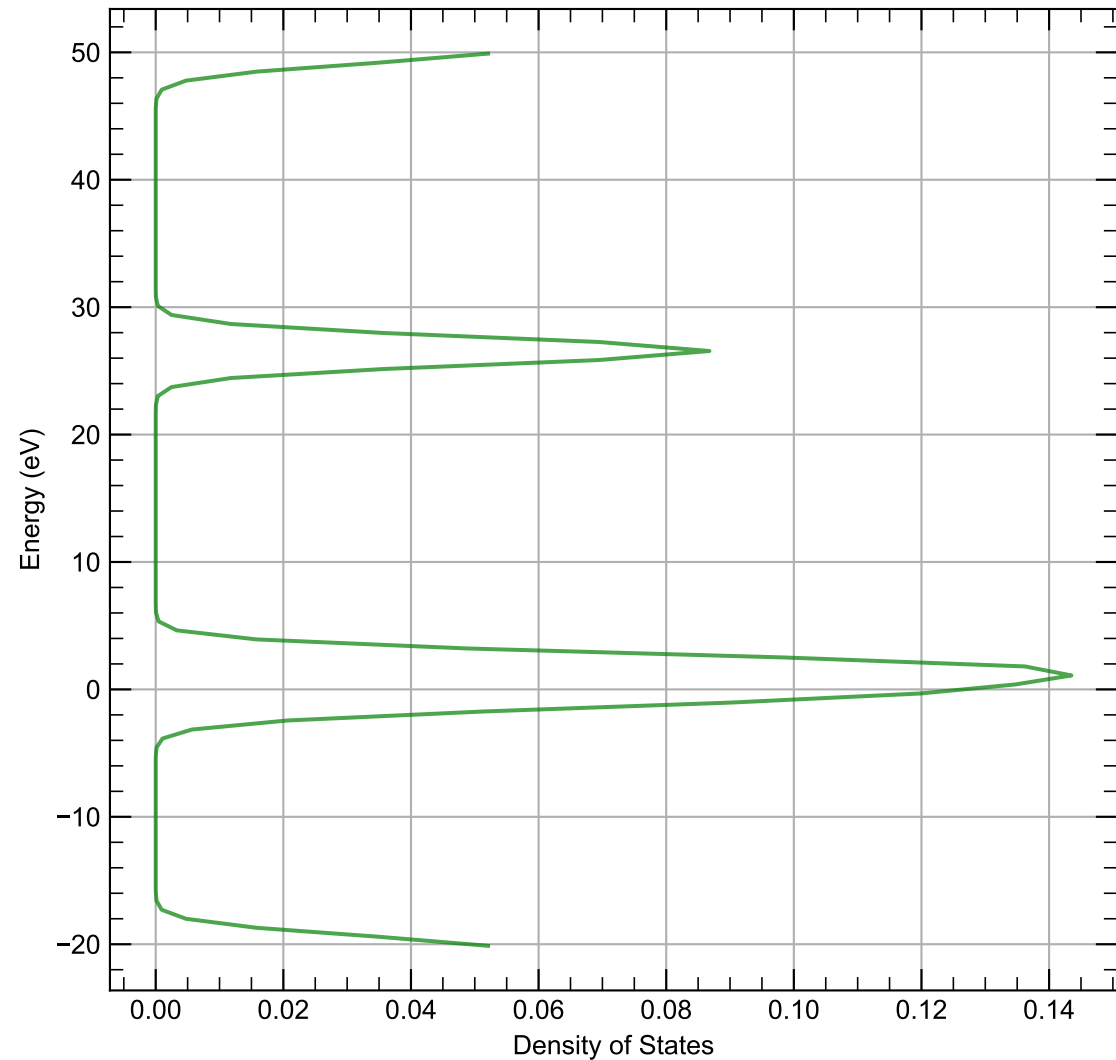

Density of States of N with Gaussian Smoothing

Energy Levels of O

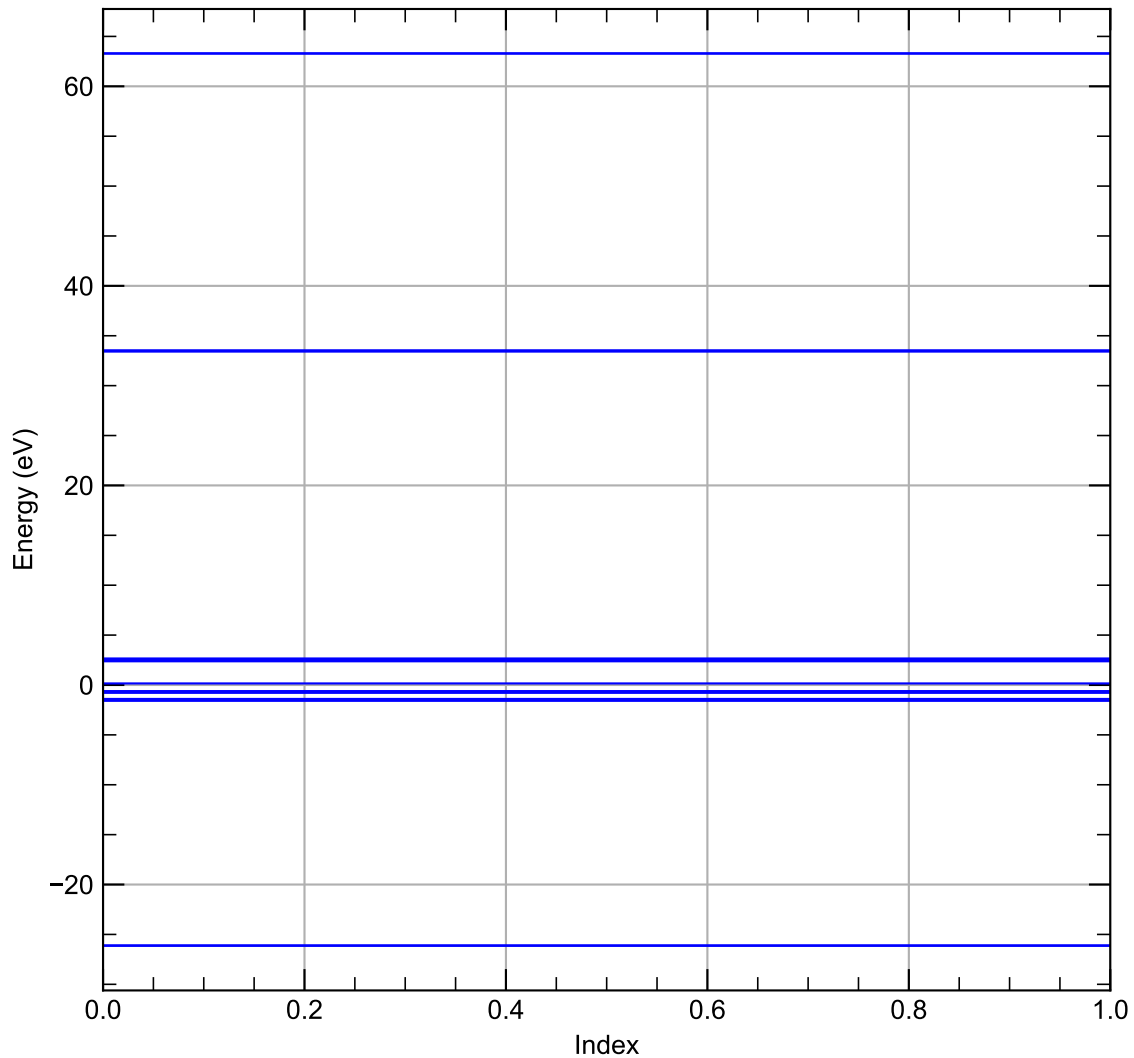

Density of States of O with Gaussian Smoothing

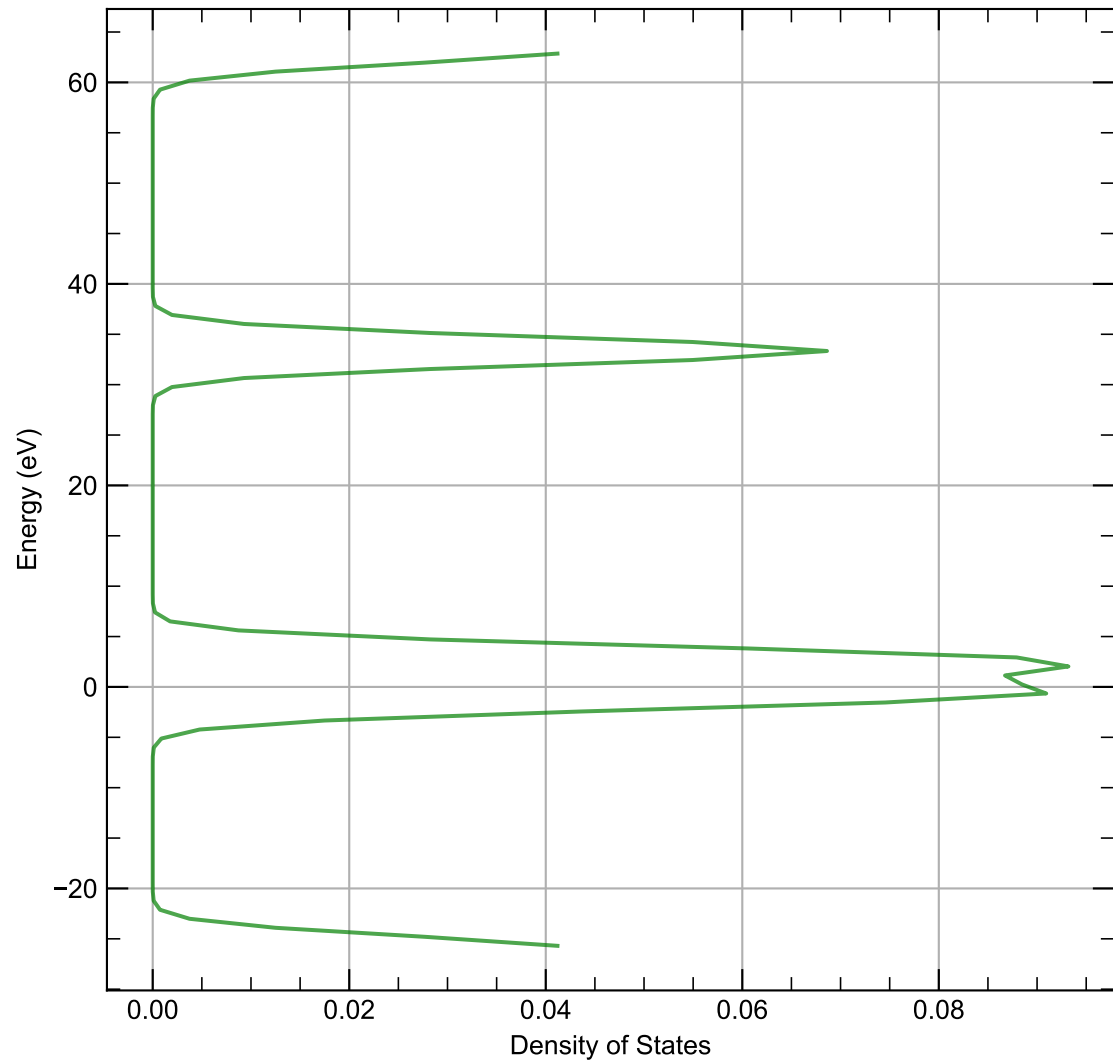

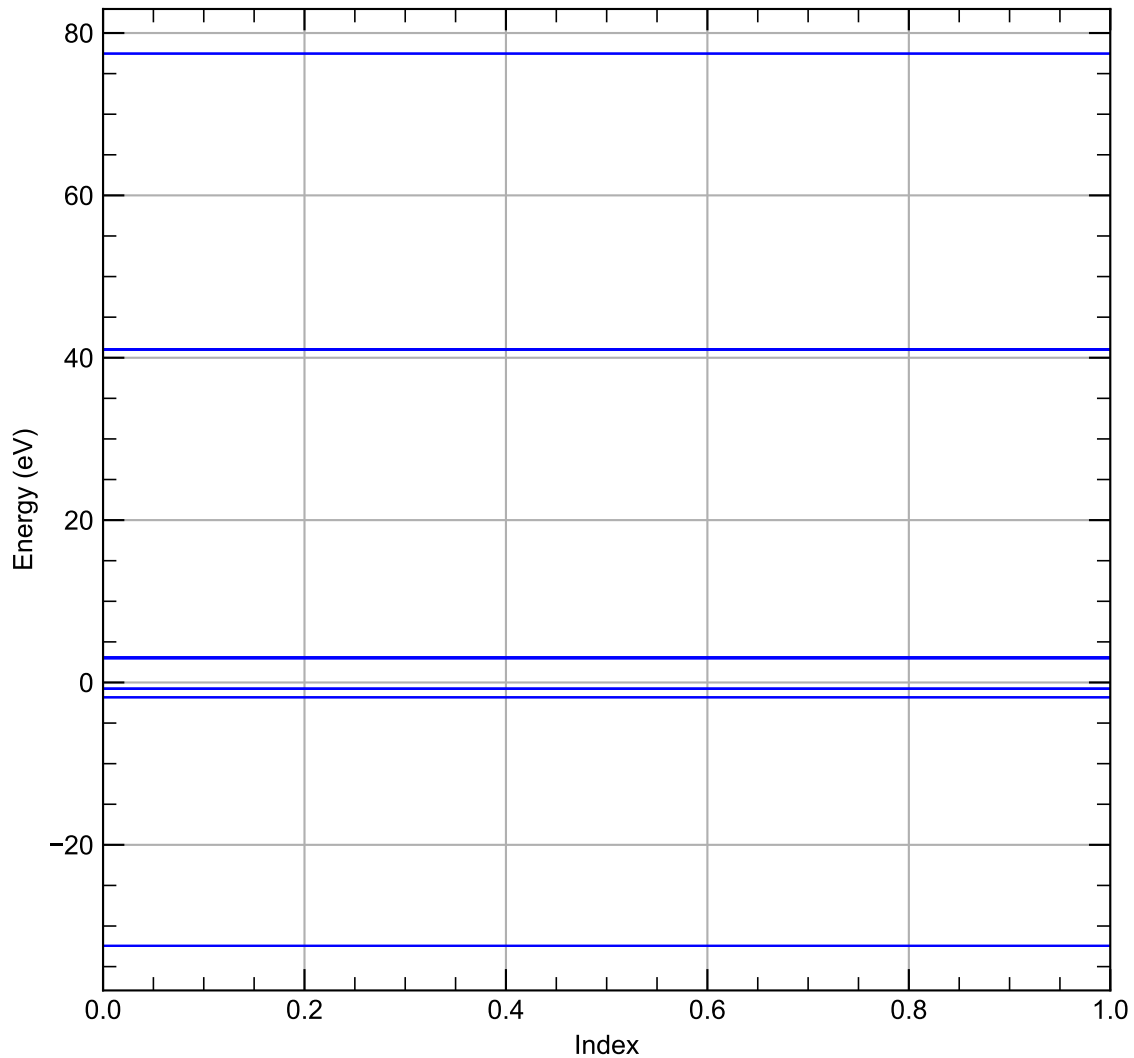

Energy Levels of F

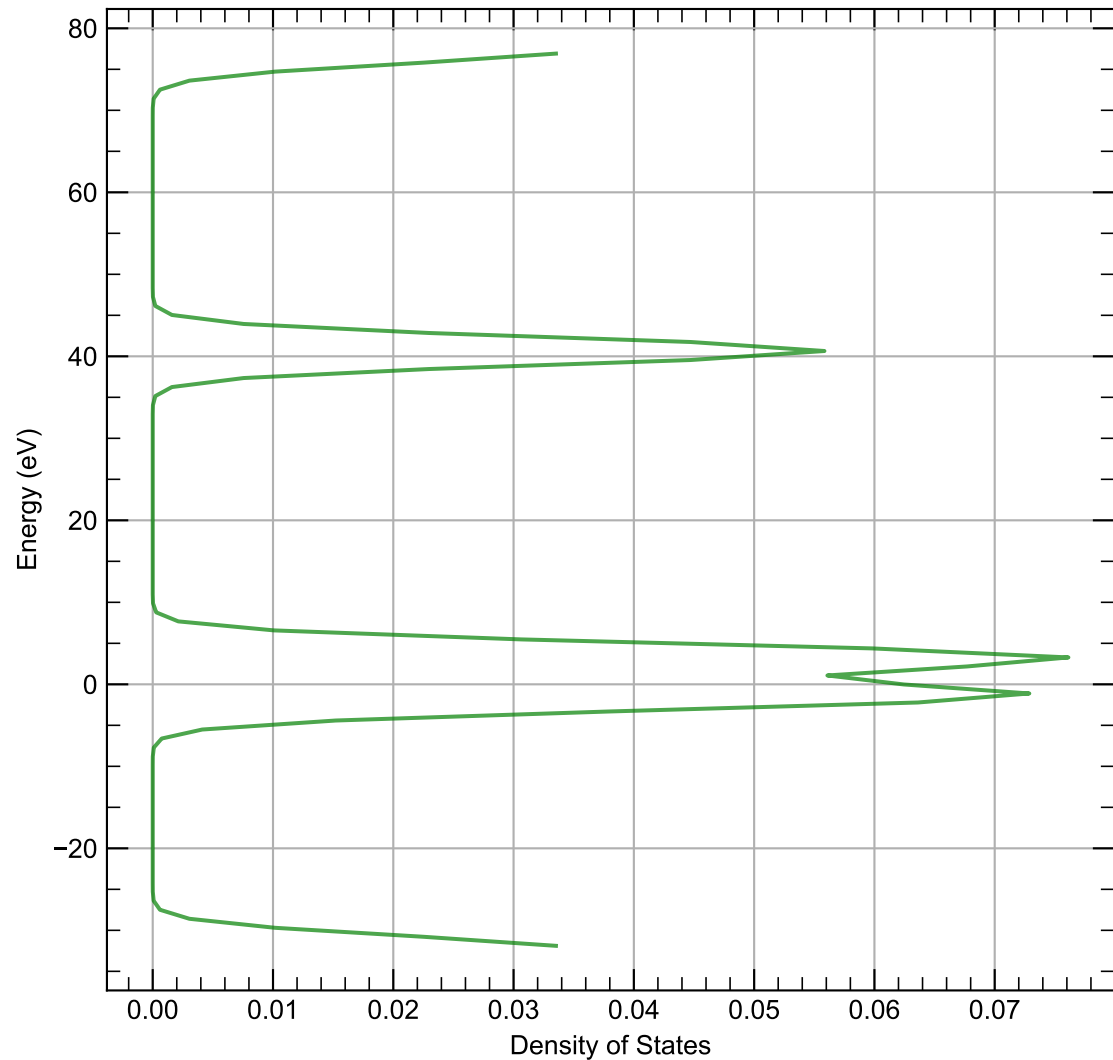

Density of States of F with Gaussian Smoothing

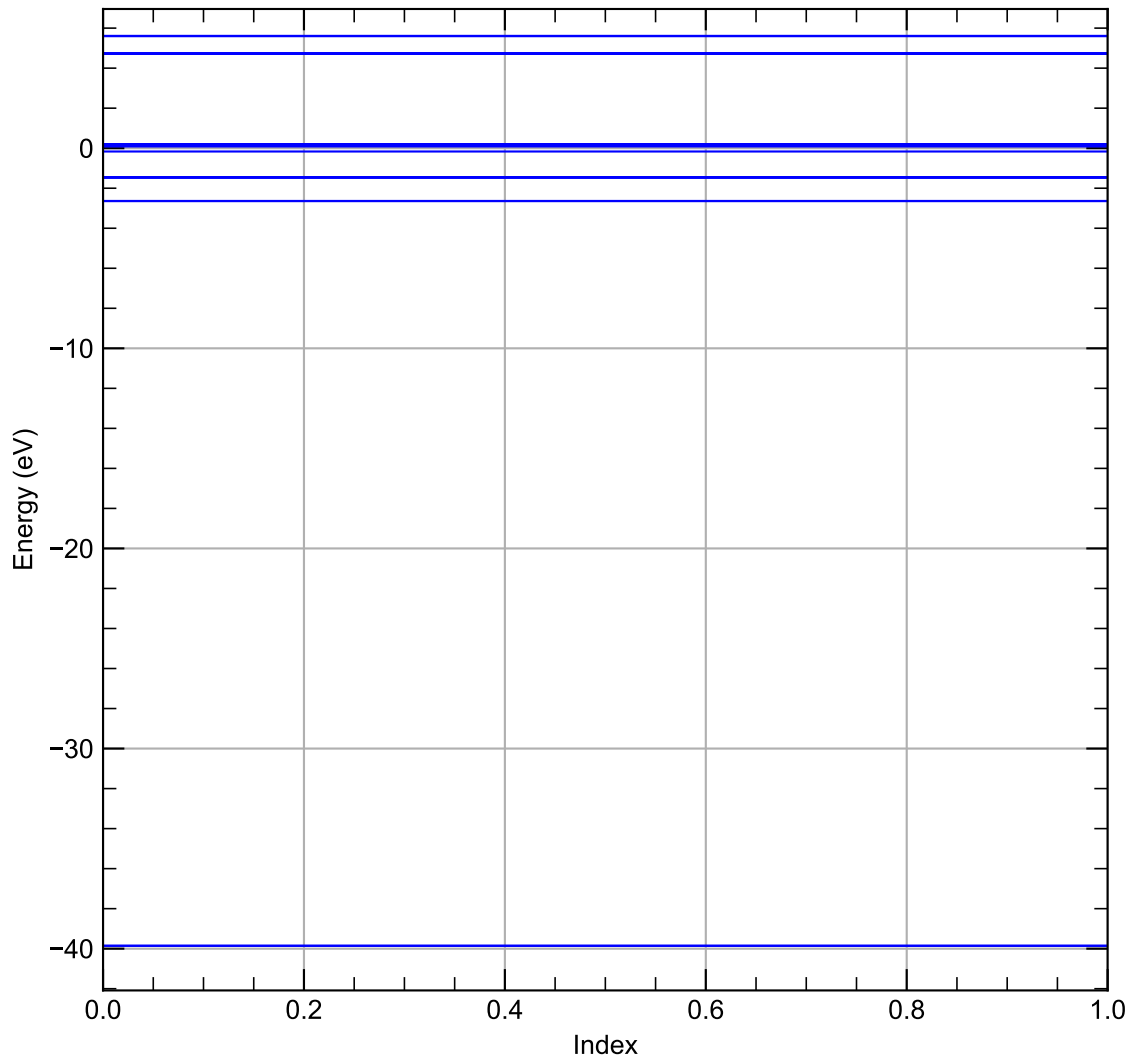

Energy Levels of Ne

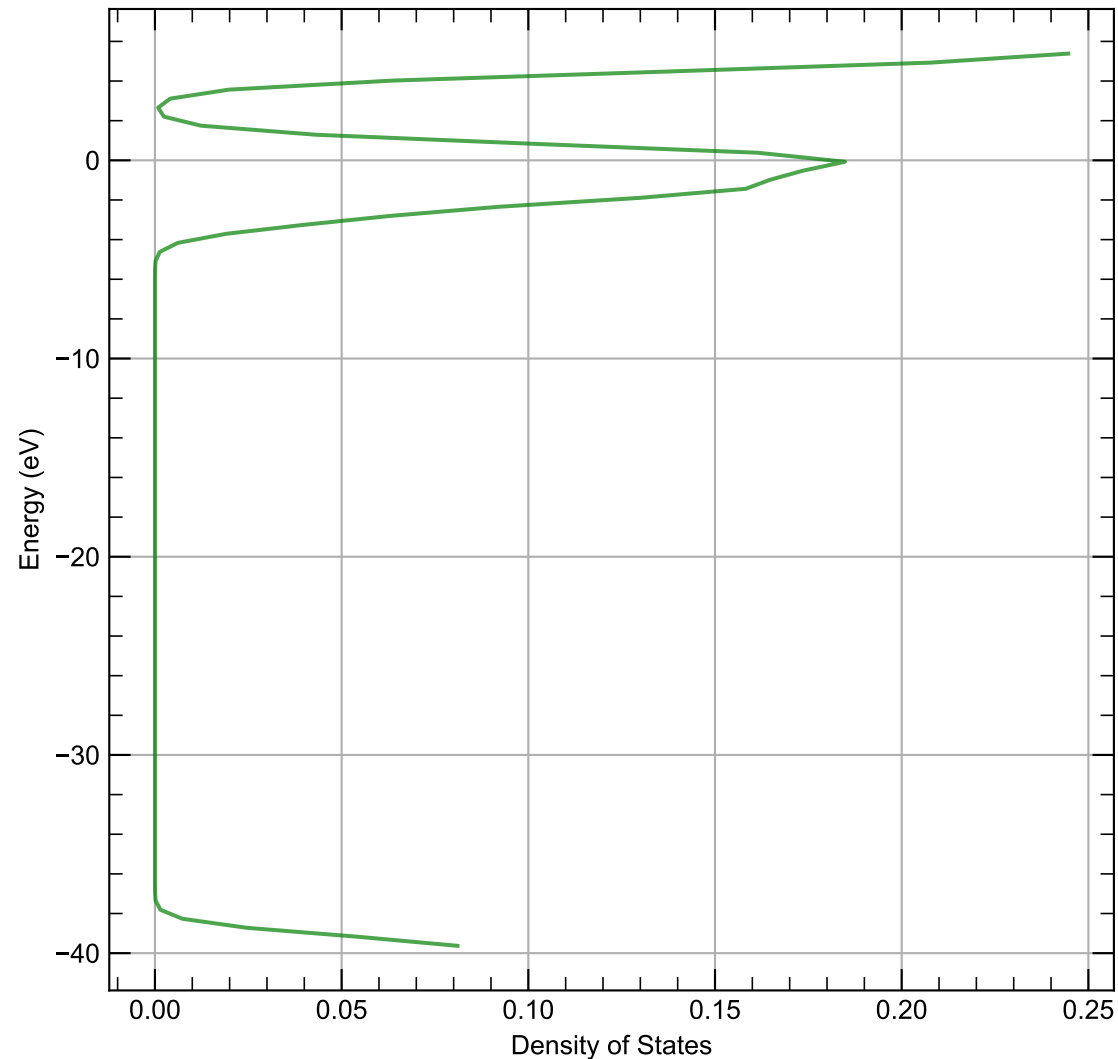

Density of States of Ne with Gaussian Smoothing

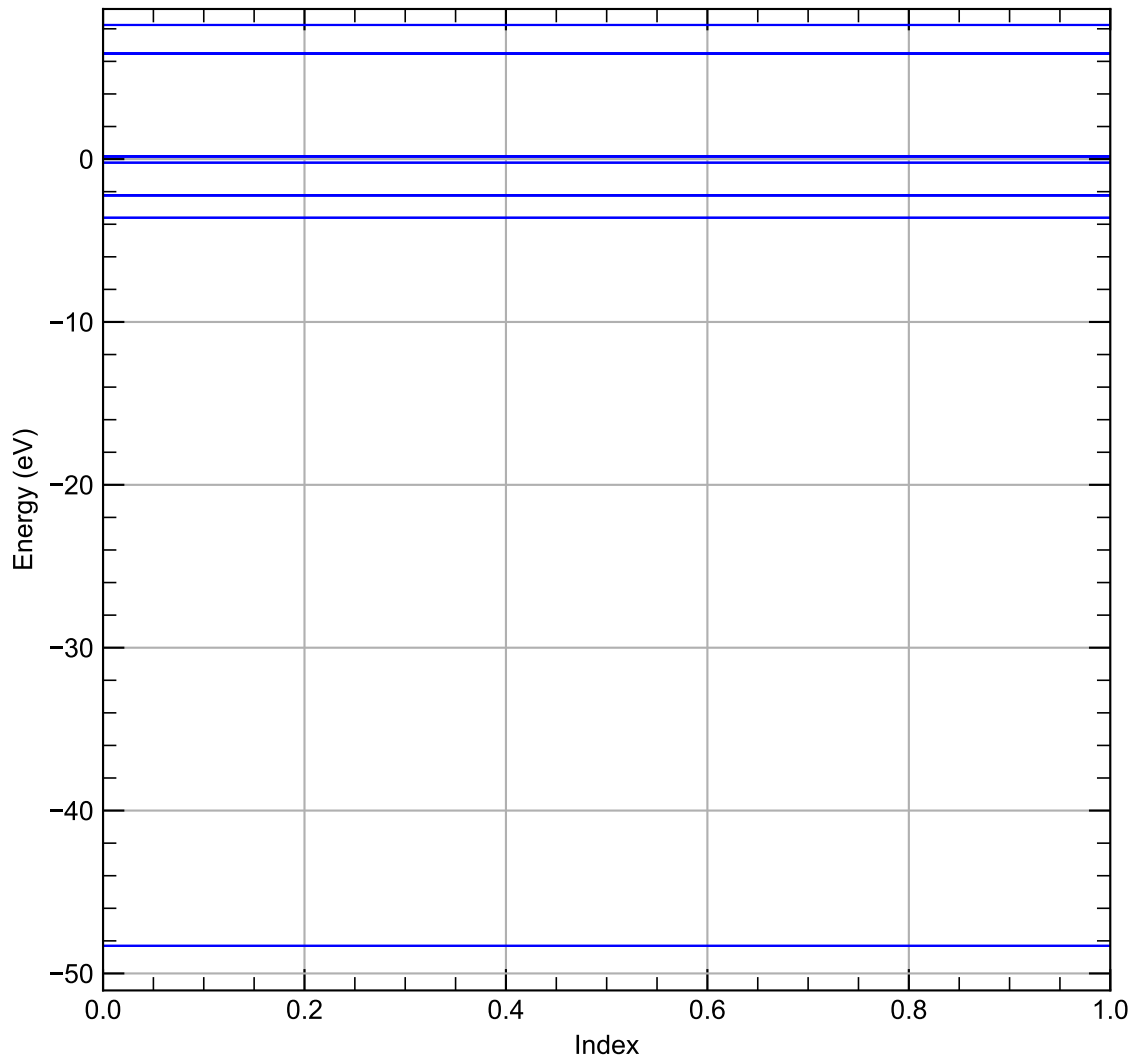

Energy Levels of Na

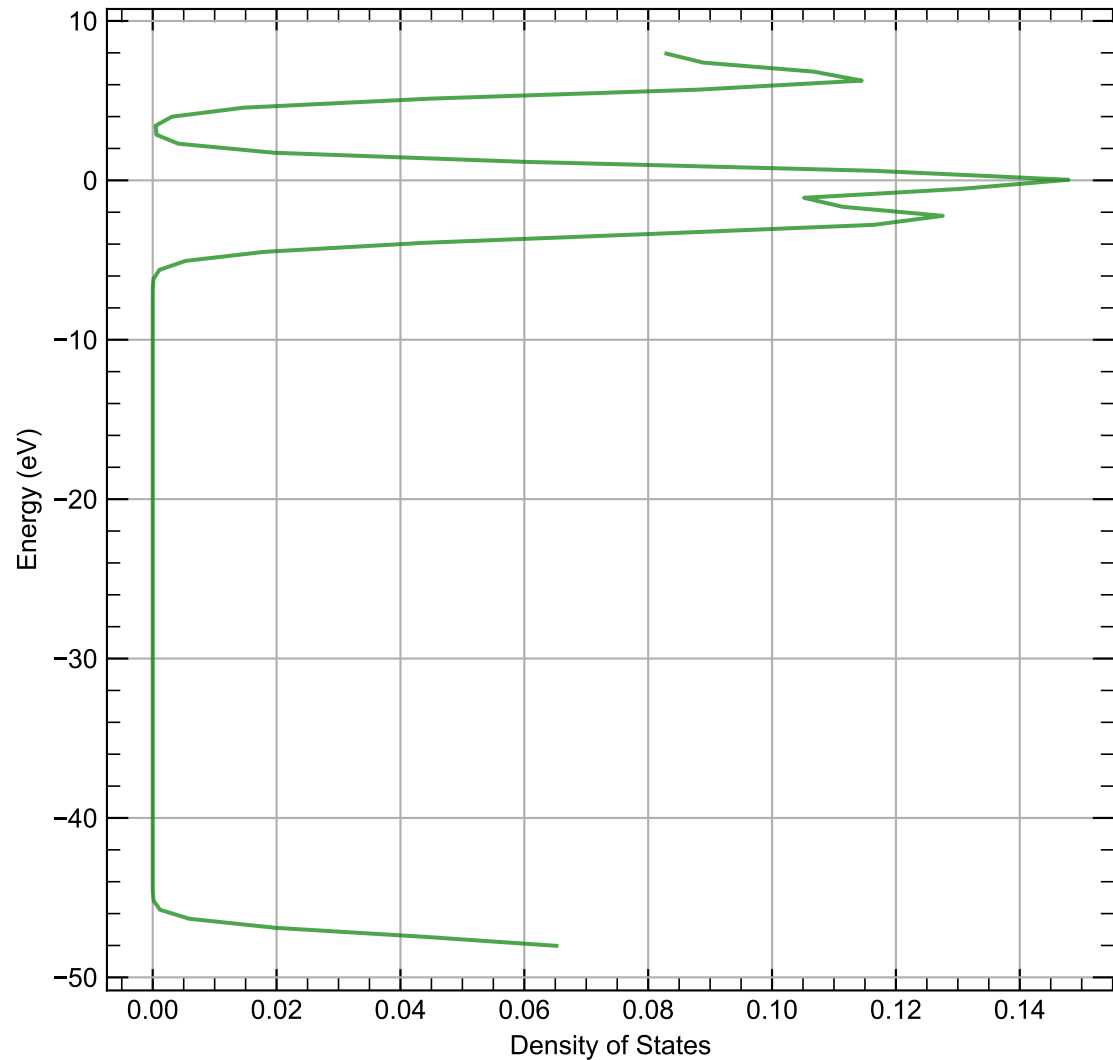

Density of States of Na with Gaussian Smoothing

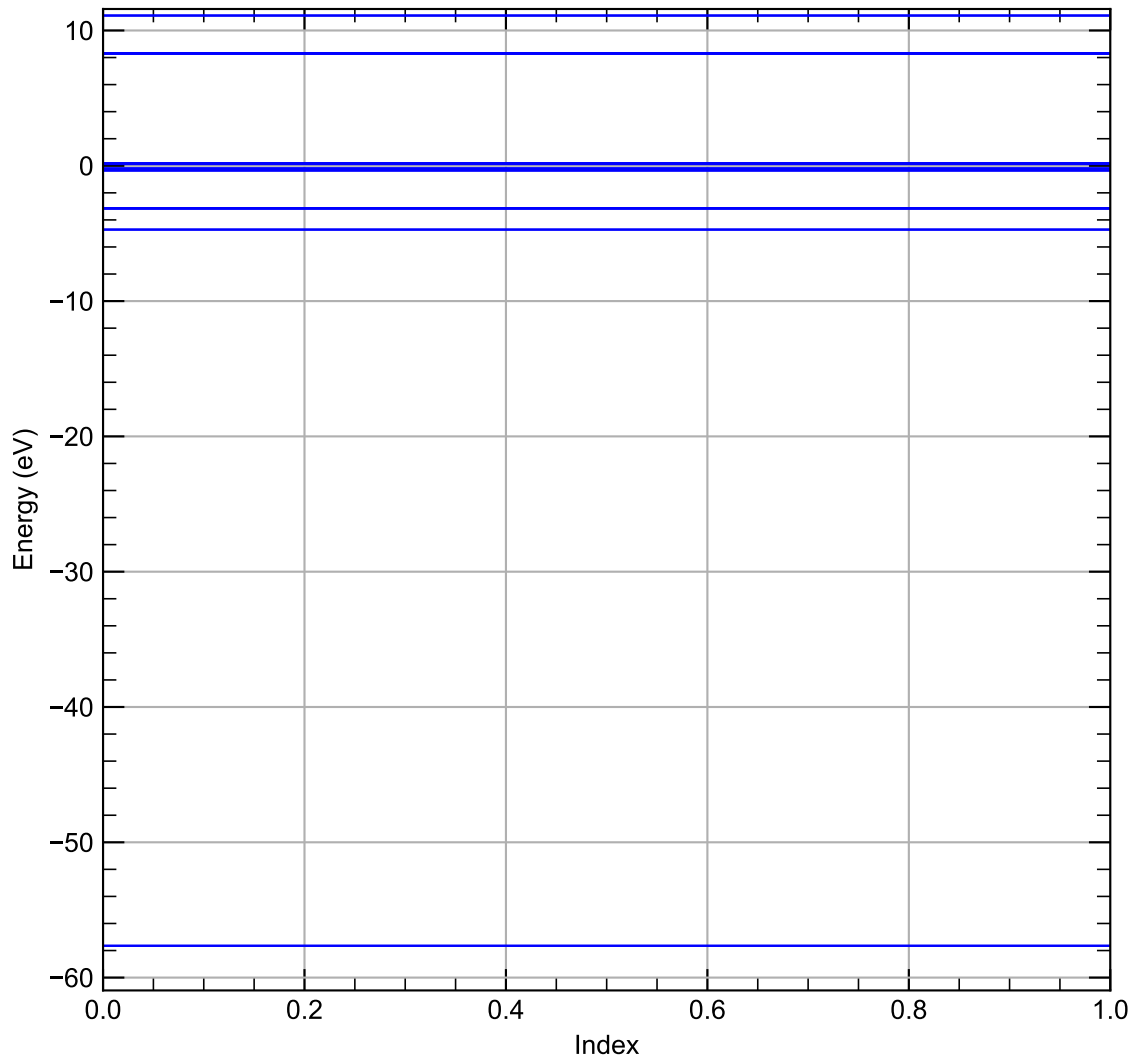

Energy Levels of Mg

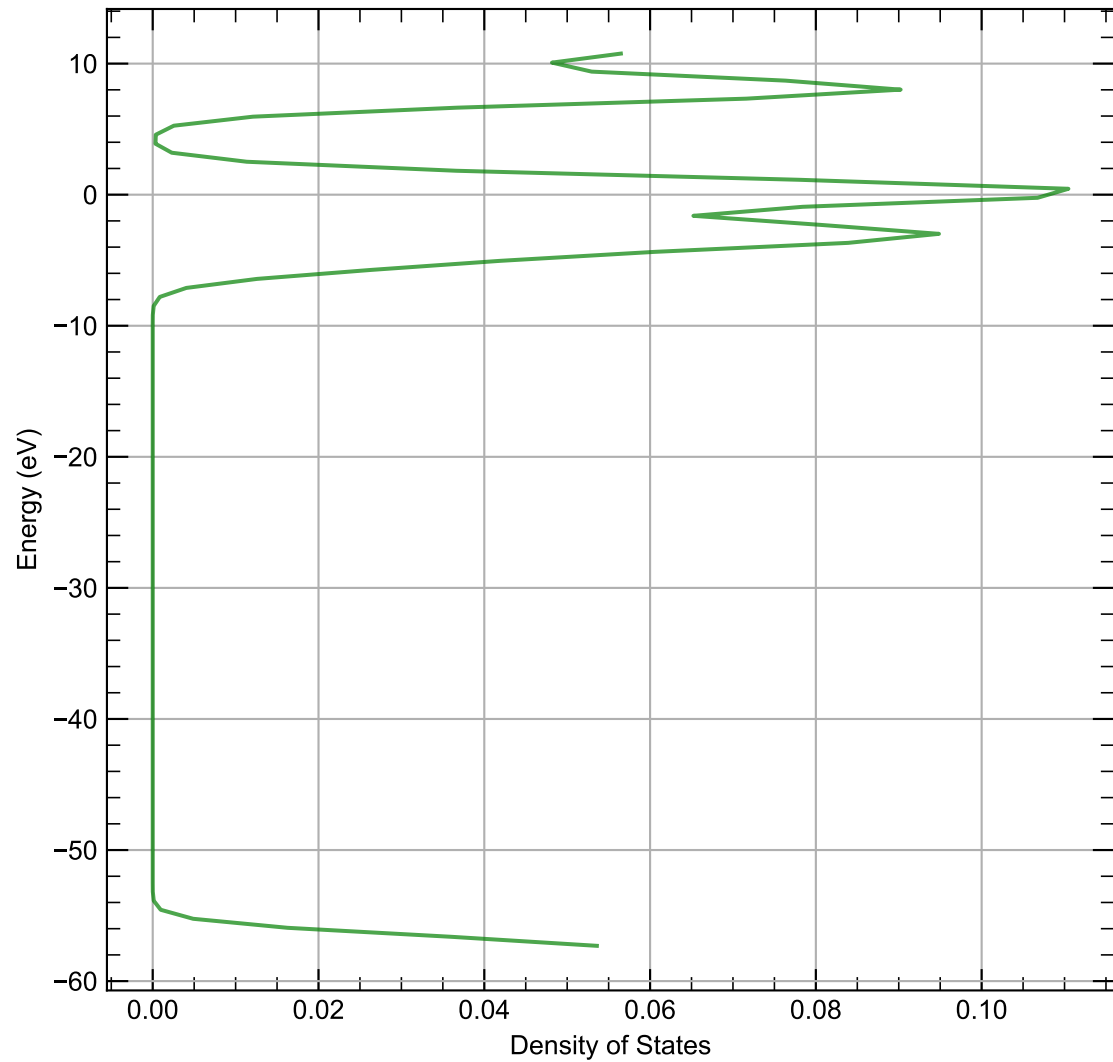

Density of States of Mg with Gaussian Smoothing

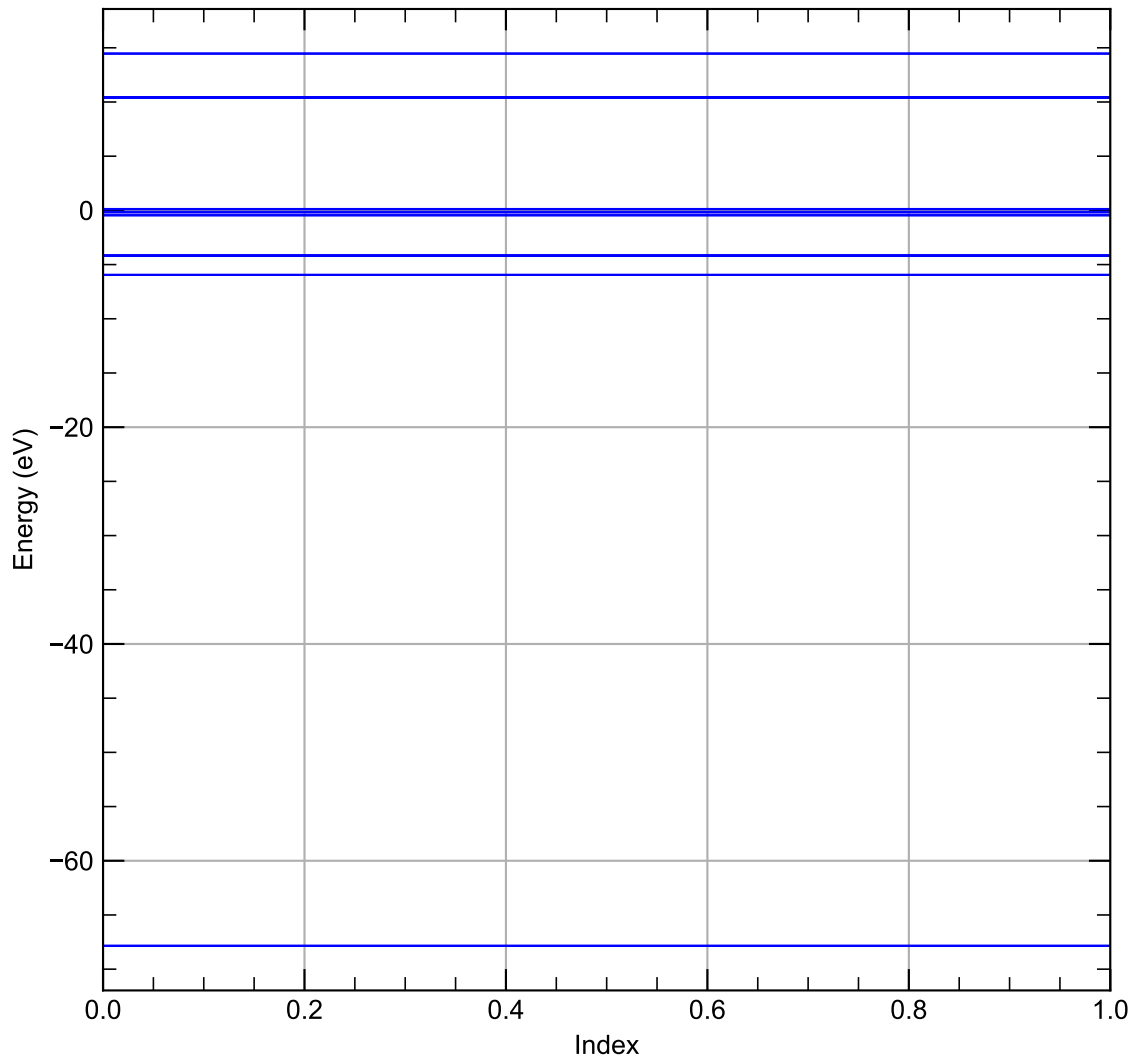

Energy Levels of Al

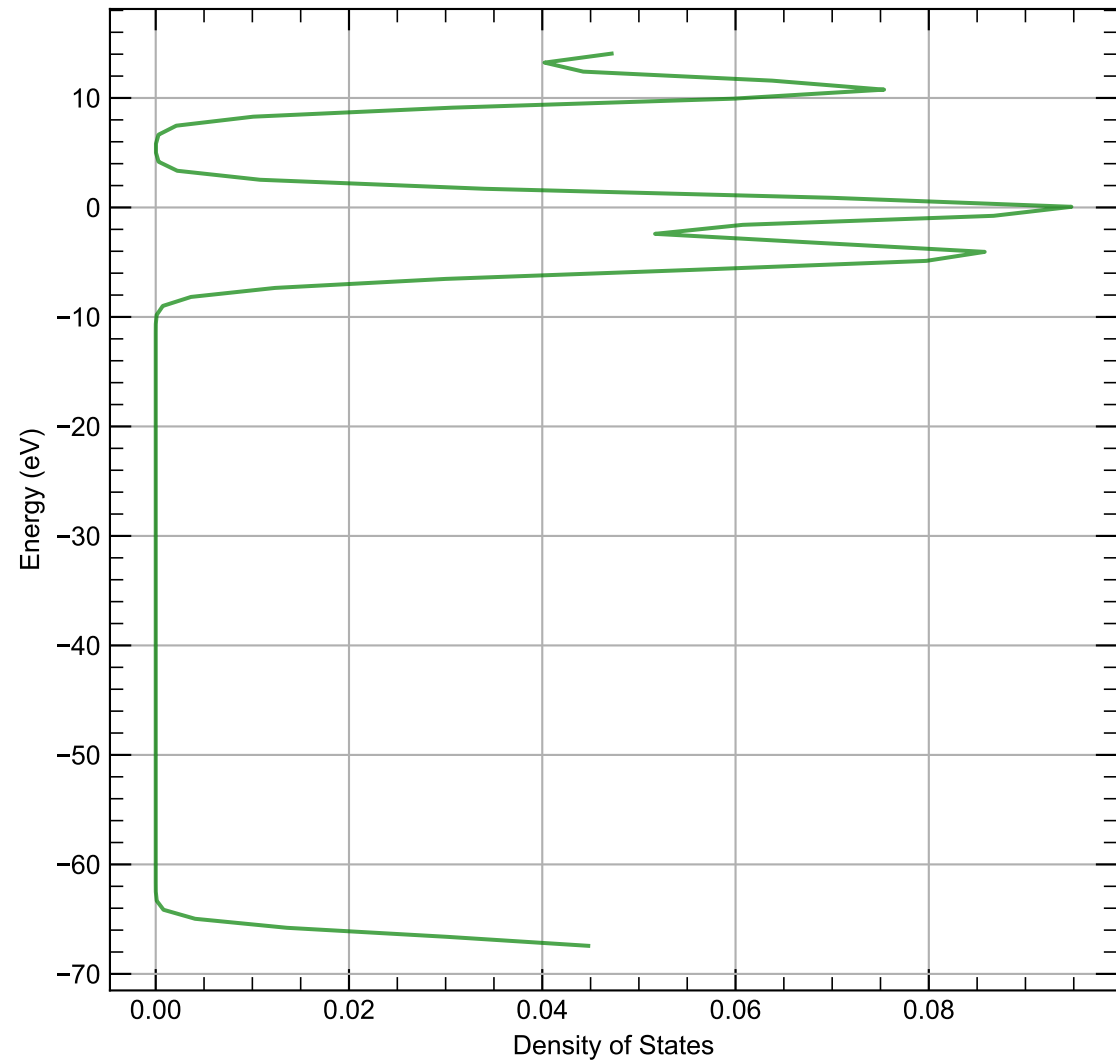

Density of States of Al with Gaussian Smoothing

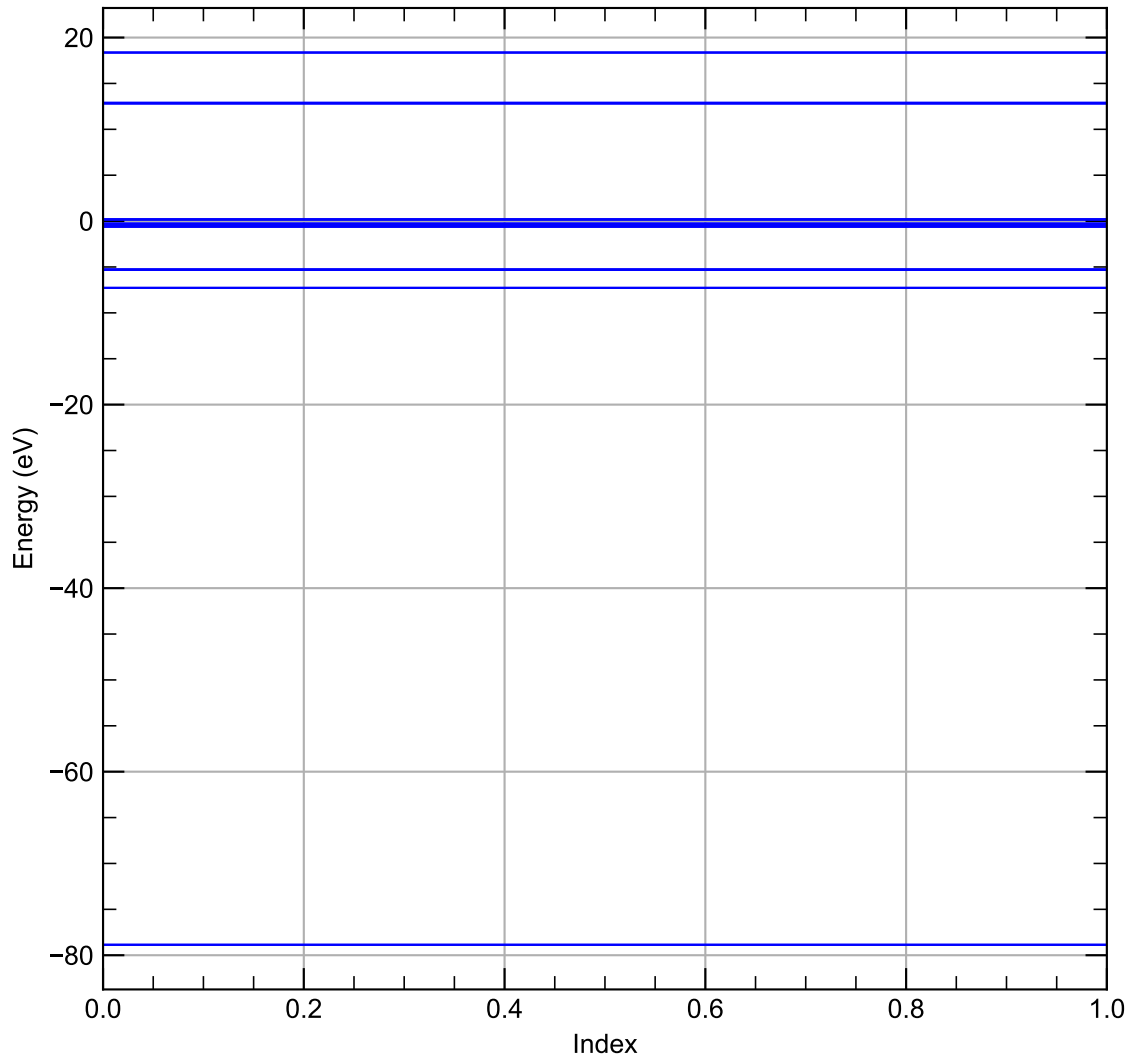

Energy Levels of Si

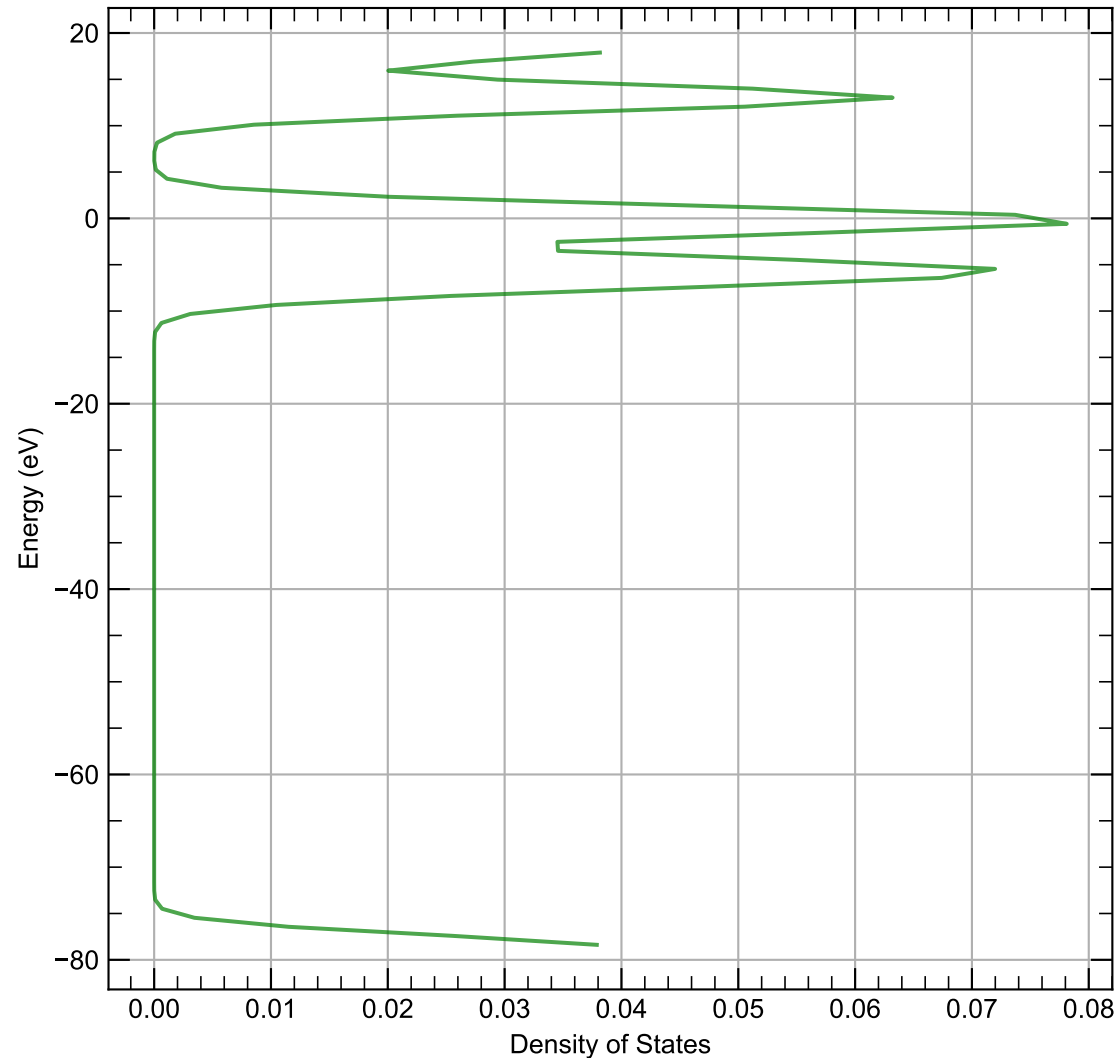

Density of States of Si with Gaussian Smoothing

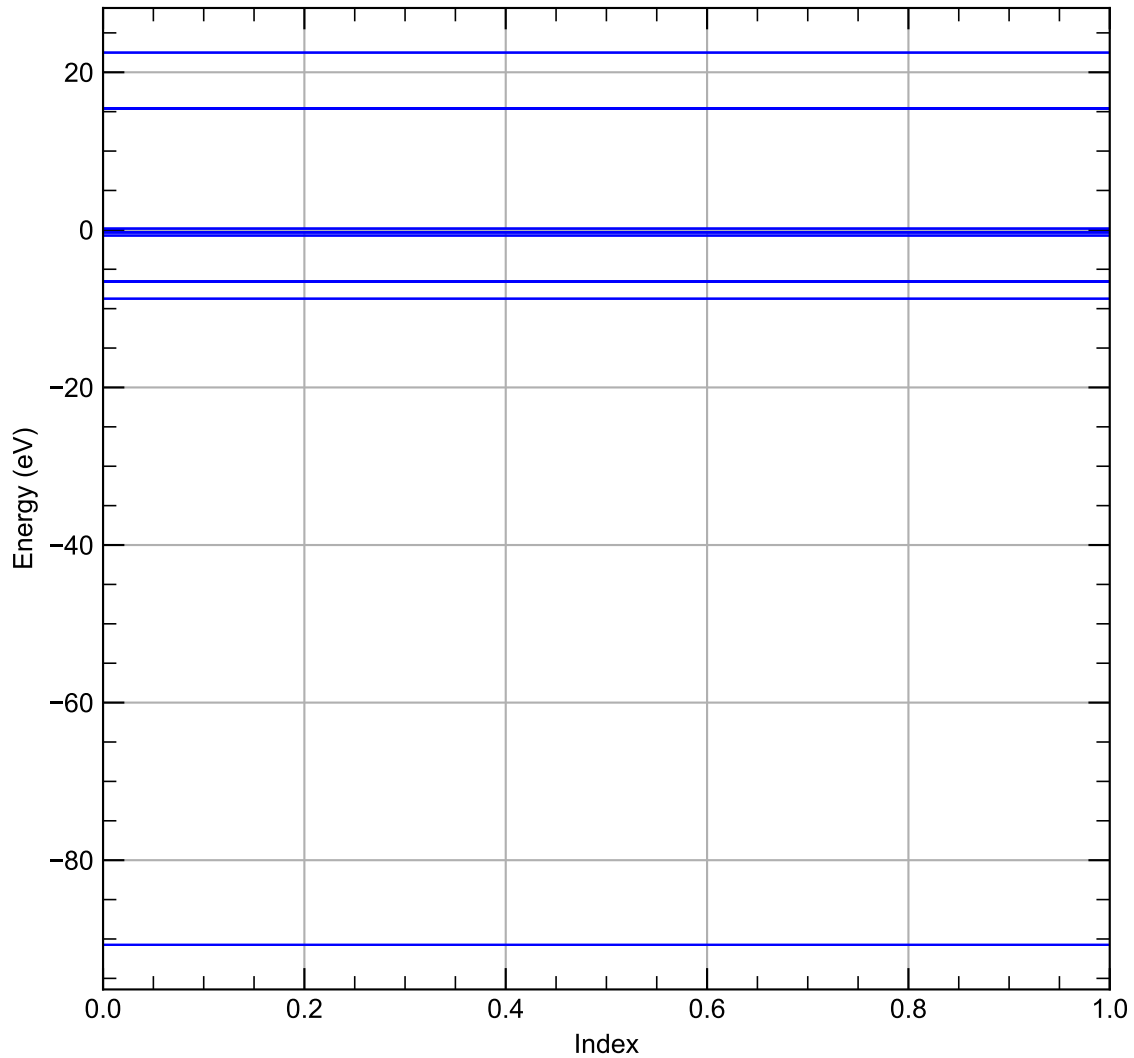

Energy Levels of P

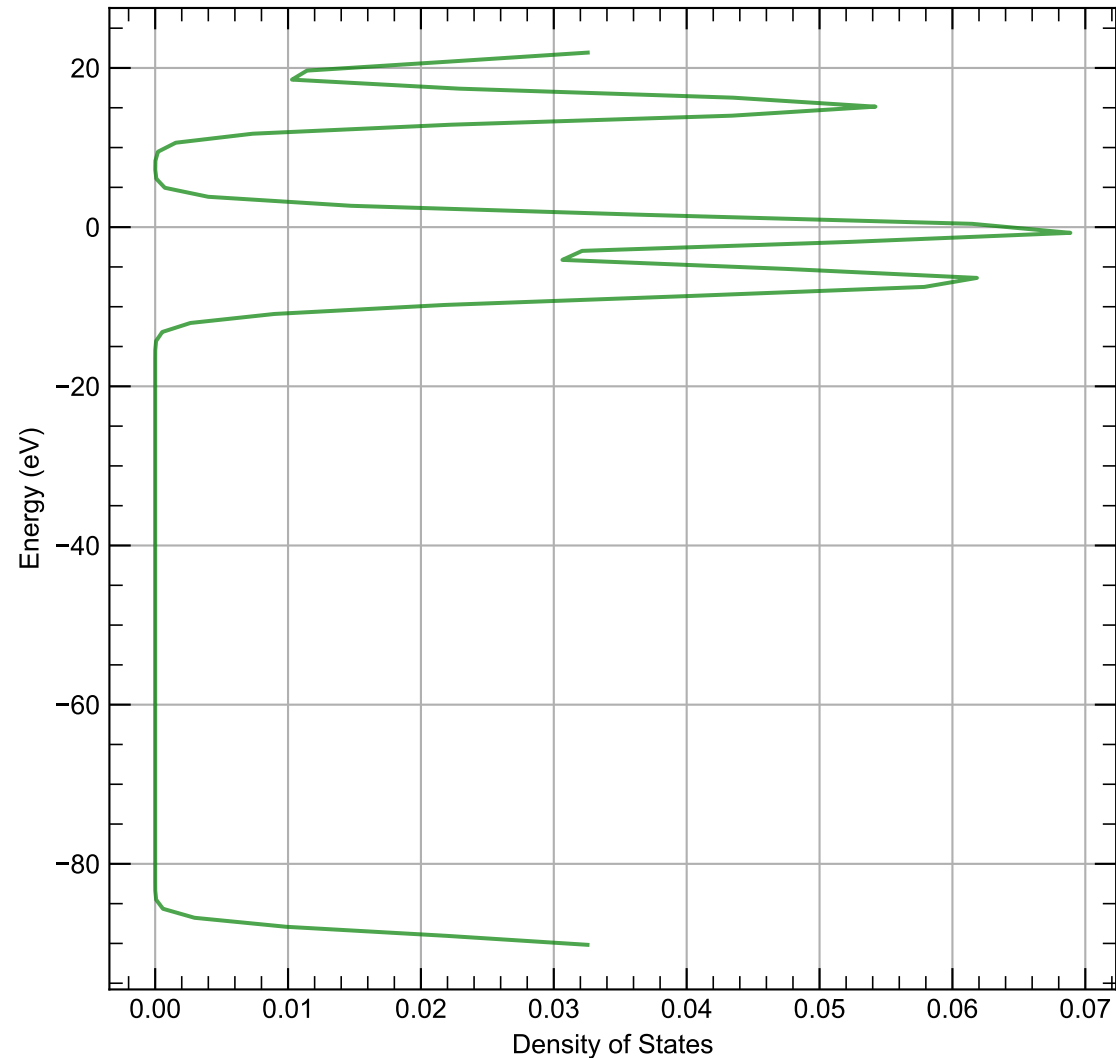

Density of States of P with Gaussian Smoothing

Energy Levels of S

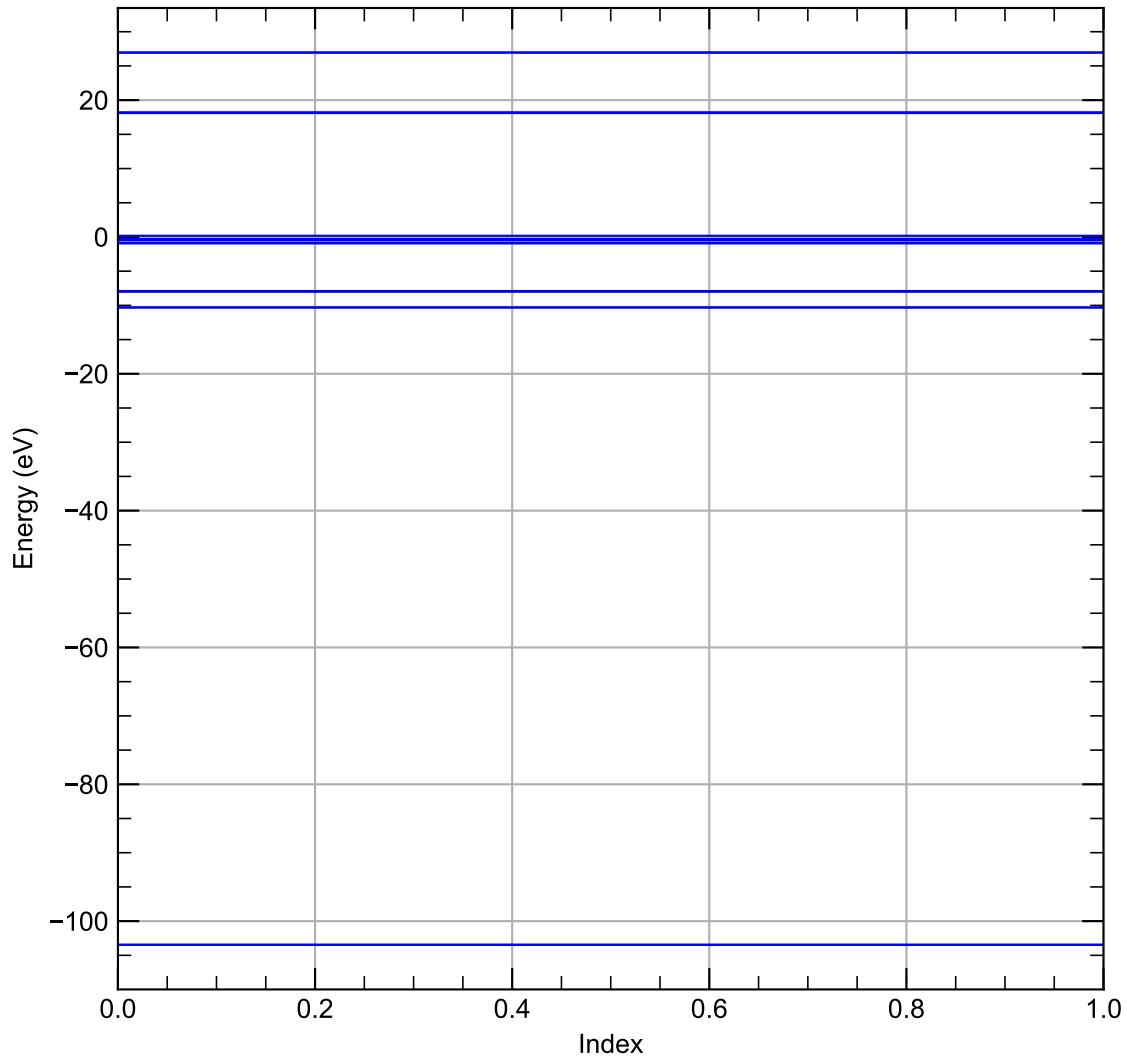

Density of States of S with Gaussian Smoothing

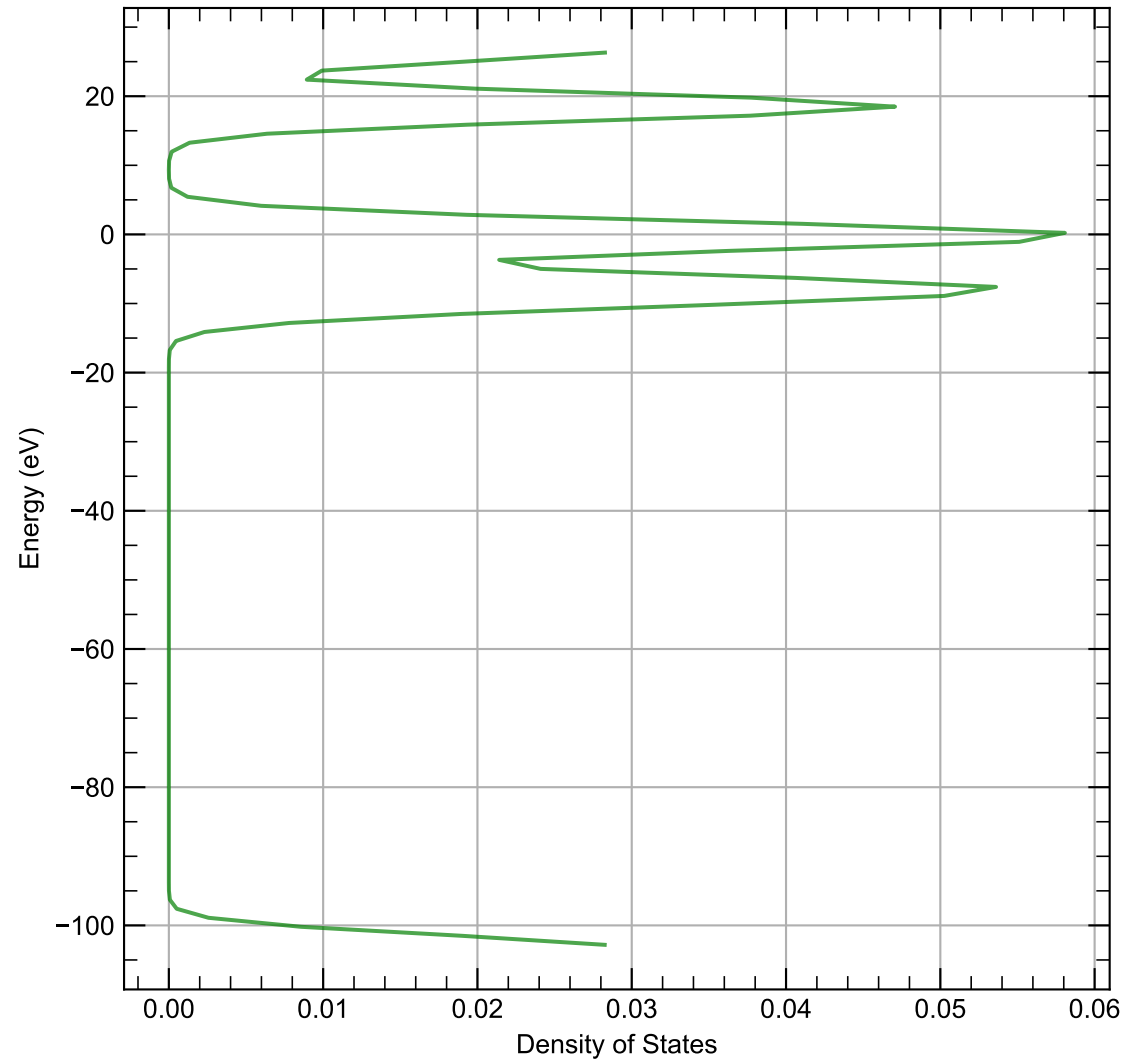

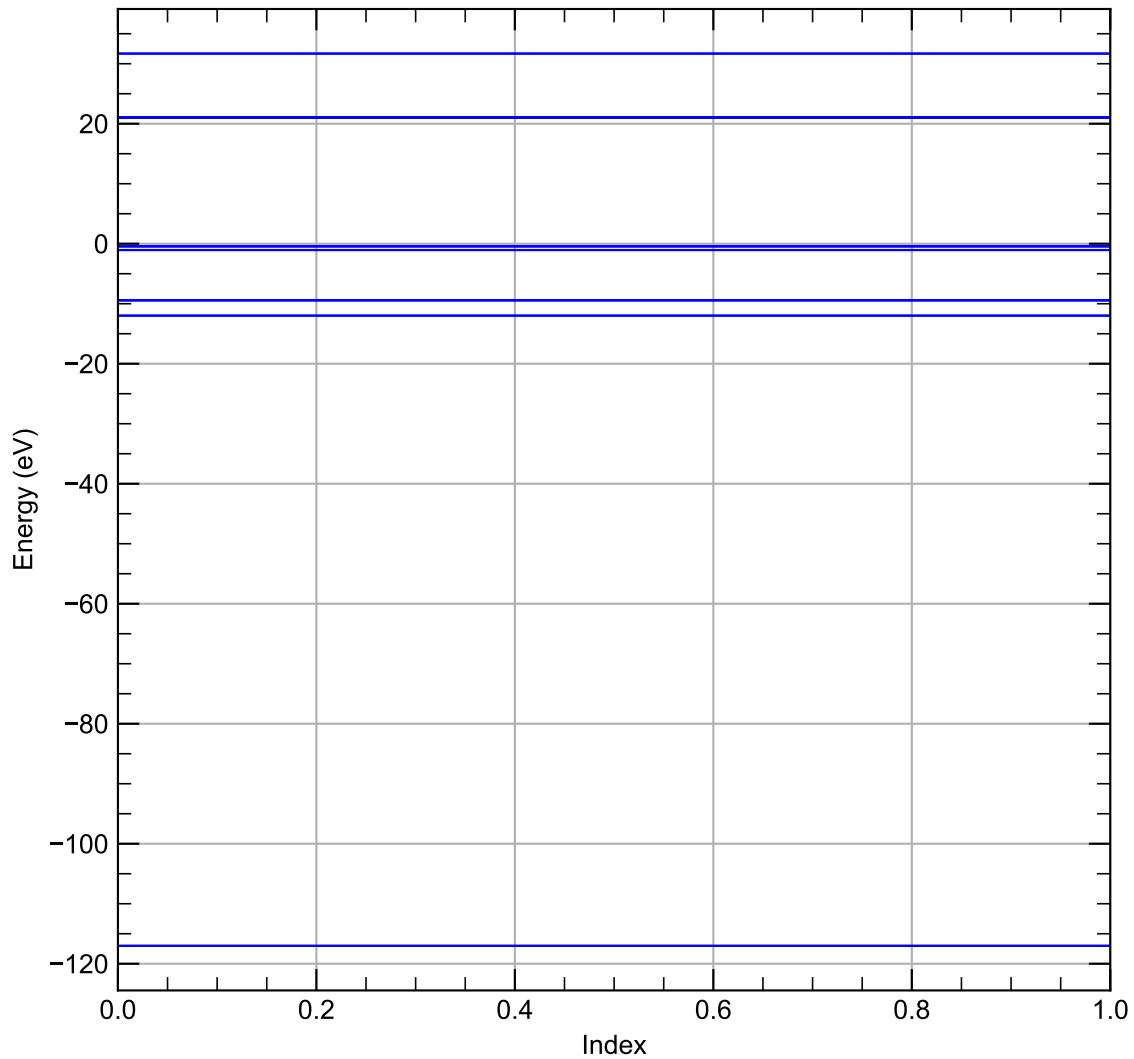

Energy Levels of Cl

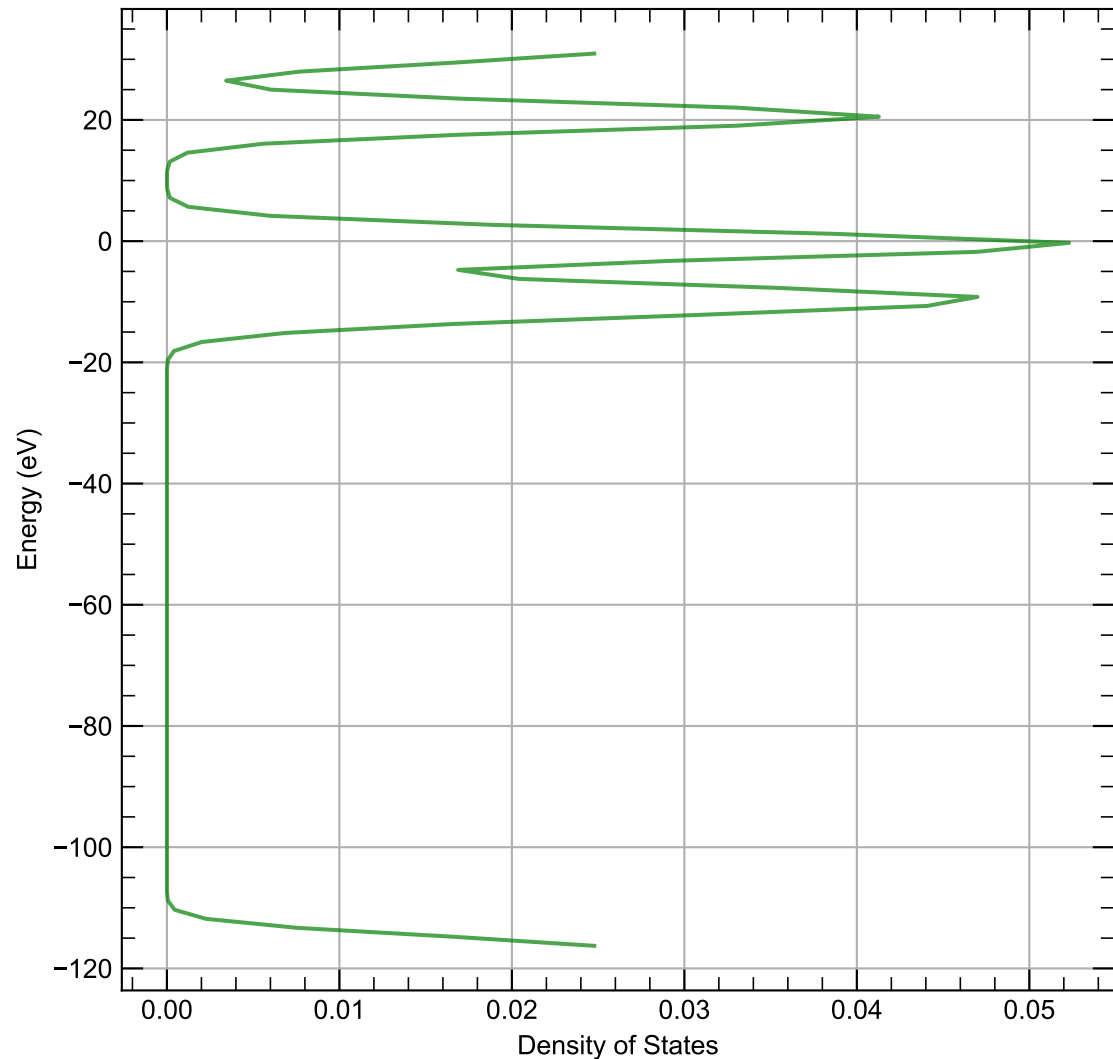

Density of States of Cl with Gaussian Smoothing

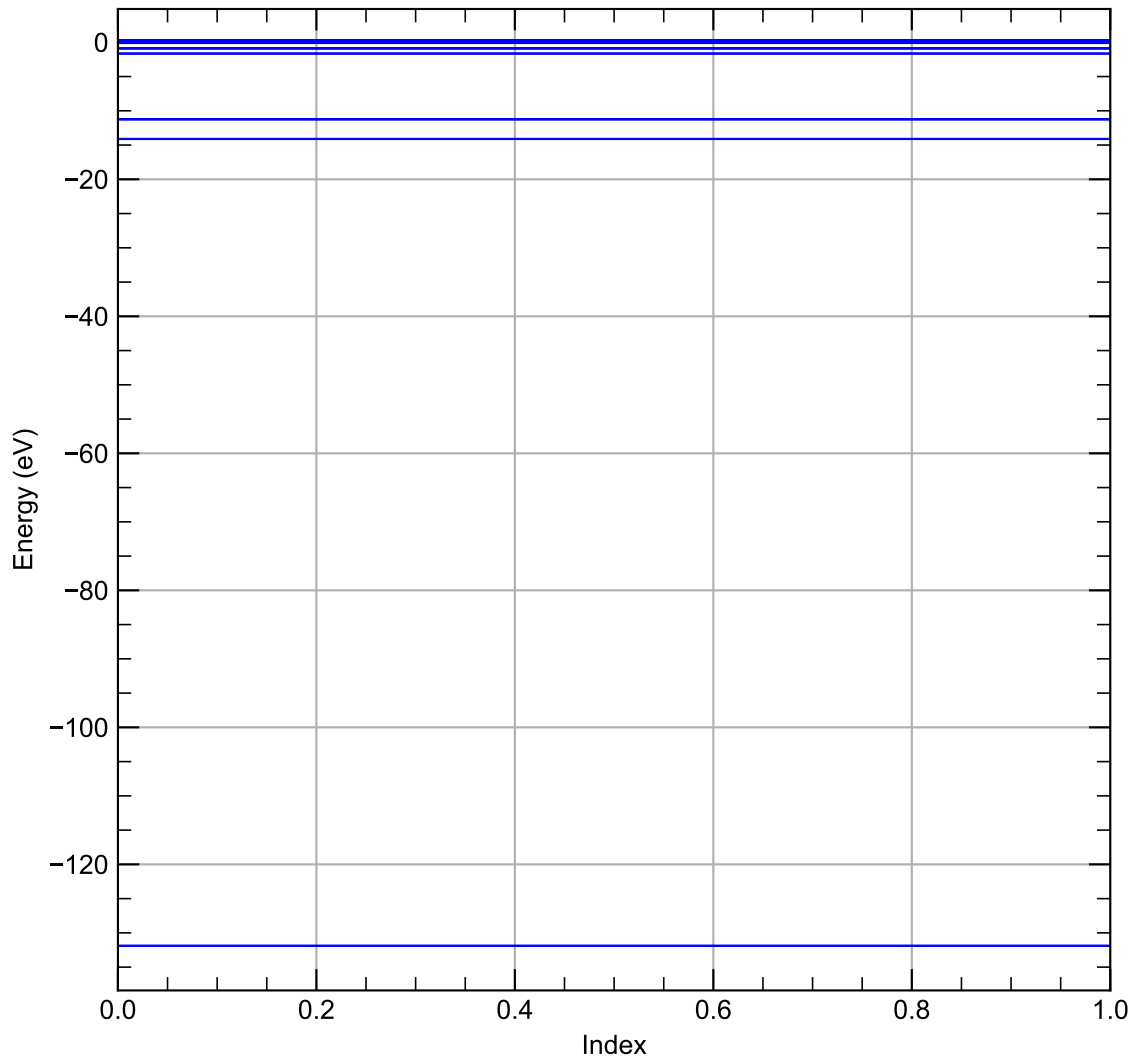

Energy Levels of Ar

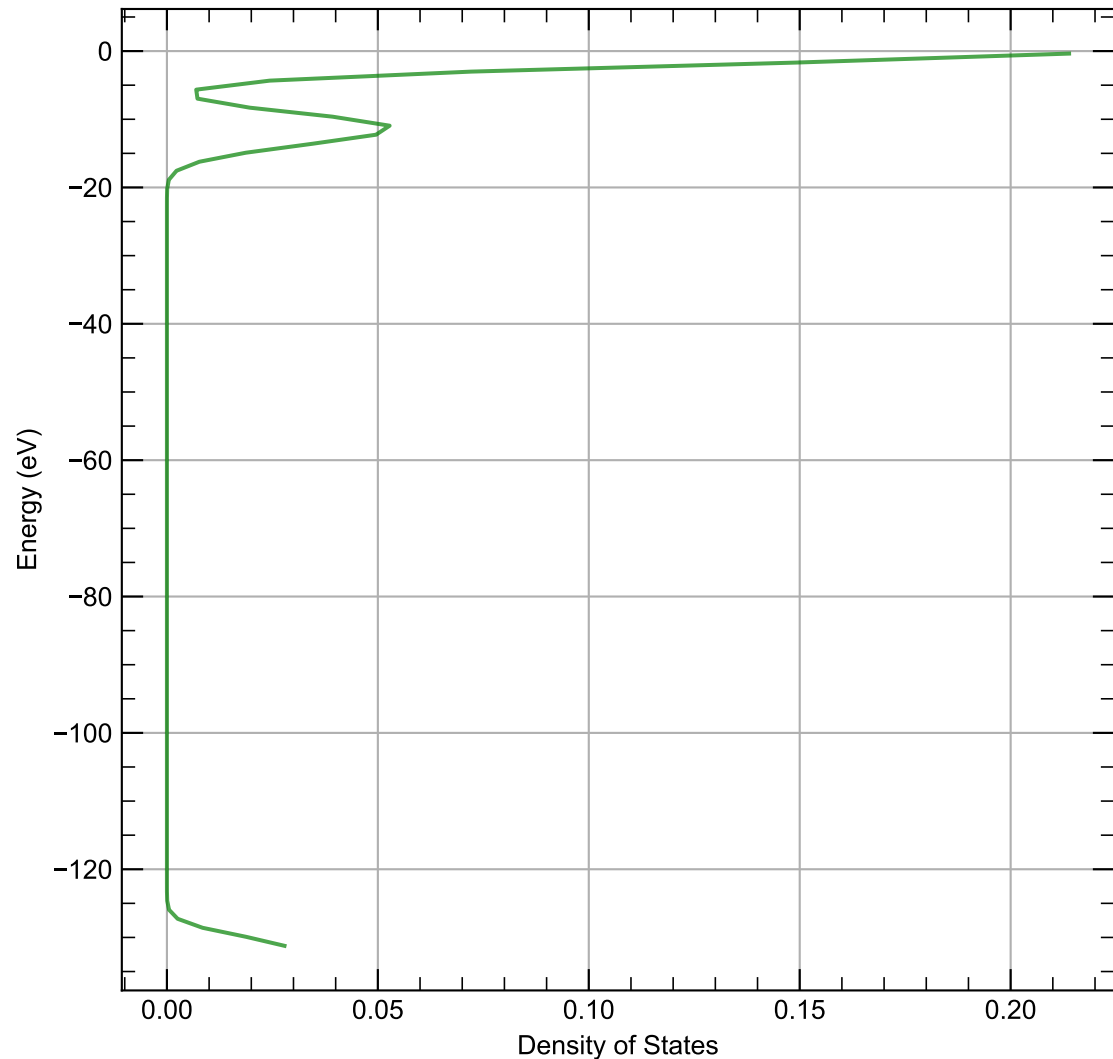

Density of States of Ar with Gaussian Smoothing

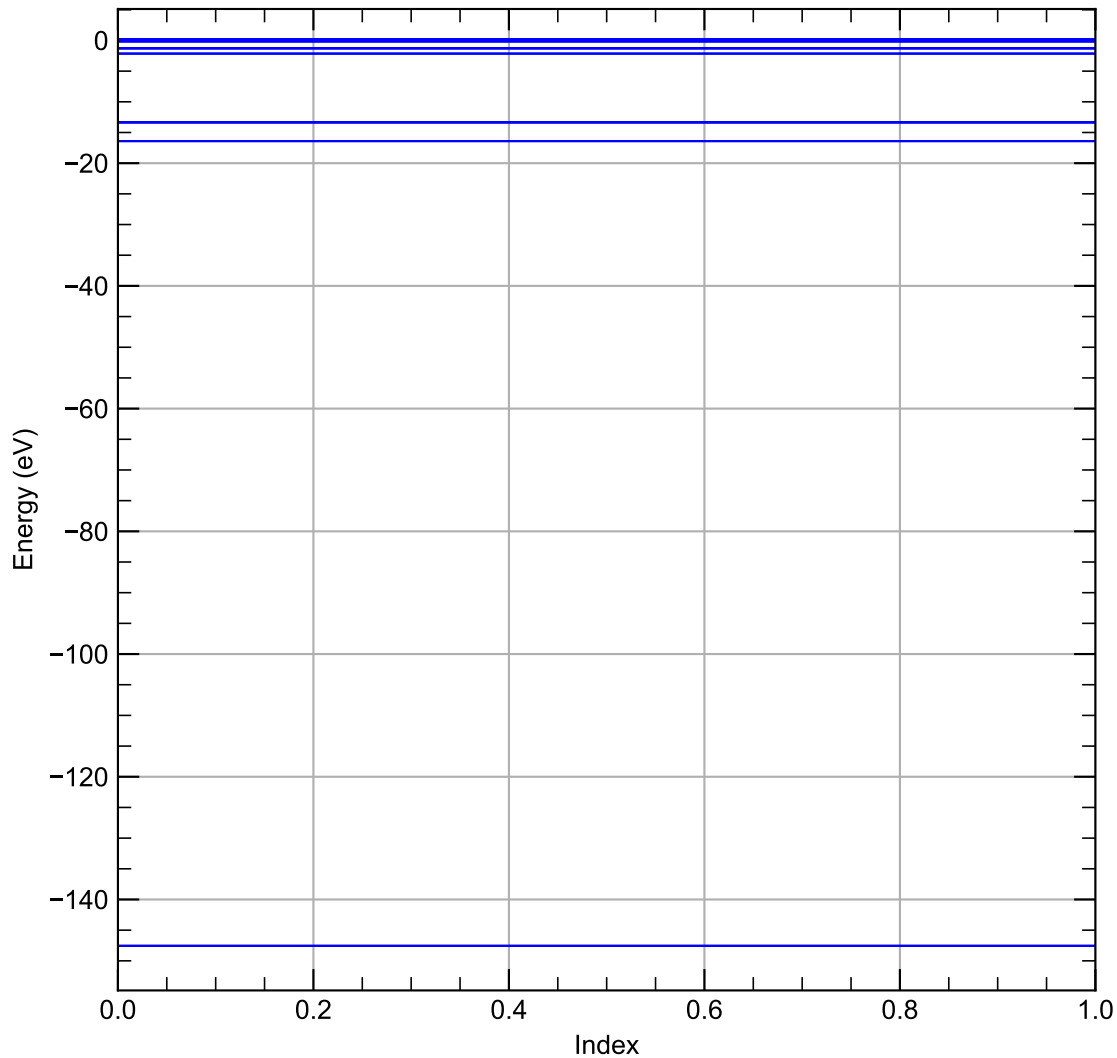

Energy Levels of K

Density of States of K with Gaussian Smoothing

Energy Levels of Ca

Density of States of Ca with Gaussian Smoothing
